

MAKE UP CLASSES:

Make ups for classes you miss are never guaranteed. Our policy is that we *will try* to get you in a class of the same level *if that class is not full*. No make ups are allowed in full classes. Often all of our classes are full, so periodically we offer Saturday make ups for those who need them.

If, for any reason, the gym has an unscheduled closure or cancellation of a class, we will notify you by note/email of a special make up day. If you cannot attend the offered make up classes, **there will be no refunds or credits for cancelled or missed classes.**
