The Supervisors are scheduled to work on agenda item 32 - Request to (1) receive and file an update from the Ad Hoc Fire Committee evaluating fire protection by special districts in unincorporated areas of San Luis Obispo County; (2) adopt a policy regarding the funding of independent special districts; (3) approve the approach to development of any "plan for services"; and (4) approve and direct the Administrative Office to send out the attached letter requesting service level data from special districts providing fire protection; and (5) provide direction to staff as necessary.

Tuesday evening at 7 pm in the TCSD boardroom (5th & Crocker next to the Fire Station), the TCSD Board of Directors will hold a PUBLIC HEARING "wherein information will be presented on Draft Resolution No. 4-2019 that calls for a special

all-mailed ballot election for submission to the voters of a proposed ordinance for levy of a special tax on real property located within the District to provide 24-hours a day, 7-days a week staffed Fire & Emergency Service, instead of the current 9 hours per day, and request the San Luis Obispo [County] election official to render specified services in conjunction with an August 27, 2019 special all-mailed ballot election.
