St. Clair County Health Department Offering Community Flu Clinics

The St. Clair County Health Department (SCCHD) will be offering flu clinics across St. Clair County.

All ages welcome. Flu vaccine will be administered by St. Clair County Health Department public health nurses. Vaccine is available for ages 6 months and up; FluMist (no needle) for ages 2-49; enhanced for ages 65 and up; and standard flu vaccine for all ages. *(While supplies last)*

Making an appointment is quick and easy online at www.scchealth.co and click "Make an Appointment". All clinics will run 3:00pm to 6:00pm.

No out of pocket expenses for participants, and insurances will be billed. Please wear a short sleeve shirt and bring a photo ID and a copy of your insurance card. Masks or face coverings are required.
