

Dept. 6 – Adult Food Preservation

1. All entries must have been preserved within the previous year.
2. Exhibits will be judged on the Danish/merit system and will receive Blue, Red, or White ribbons if the exhibit meets the guidelines for judging. Judging will be done by comparison to recognized standards of quality and safety.
3. For judging and safety reasons jars must be clear glass with Mason or other standard/recognized name labeled on jar or box with a clean metal lid and ring, vacuum sealed and of acceptable size per recipe instructions – typically quart, pint or ½ pint. Any decoration on the jar such as fabric should be put on AFTER the product is judged. Due to safety reasons no canned squash including summer, zucchini or spaghetti, pureed or mashed pumpkin, sweet potatoes, or potatoes will be judged. Pickled summer squash and zucchini are allowed.
4. Vegetable soup is a low-acid food and **MUST BE PRESSURE CANNED ACCORDING TO USDA GUIDELINES**. The processing time and method must be attached to all soup mix exhibits. USDA cautions against thickening soup or adding milk, cream, flour, noodles, or other pasta to soups prior to canning because it affects heat penetration.
5. Canned squash is not allowed. Squash pickles and relish can be exhibited.
6. Canned breads and cakes are not allowed.
7. No food coloring is allowed unless the recipe calls for ingredients such as red hots that alter the color. If used, attach the recipe to the jar.
8. Dried foods should be prepared according to current USDA information. Dried foods need not be sealed and may be handled by the judges to determine stage of doneness. Dried foods should be displayed in appropriate storage containers (glass jars with rust-free lids, heavy-weight plastic food quality bags, vacuum-sealed plastic food bags, etc.)
9. If recipe used is not from either: (1) *So Easy to Preserve*, 4th - 6th editions. University of Georgia Cooperative Extension Service or (2) *USDA Complete Guide to Home Canning*, 2009 revision. United States Department of Agriculture and National Institute of Food and Agriculture, then entry should also be accompanied by recipe from other Extension publications updated or published after 1995.
