

ROCAME JAMBOREE **COMPETITION CATEGORY**

SCIENCE CLUE

Description: This event will test the team's knowledge of general science concepts. Students will answer multiple choice and True/ False questions. Collaboration between team members is expected.

Number of Participants: 2 per team

Approximate Time: 50 minutes

Event Competition:

1. The teams will receive an answer sheet numbered 1 through 15.
2. The event coordinator will read and explain each question only once. Students will then have 2 mins to write the answer on the score sheet.
3. The coordinator will proceed to the next question and continue. Previous questions will NOT be repeated.

Scoring:

One point will be given for each correct answer (max score of 15 points). Highest score determines the winner. If there is a tie, 3 bonus questions will be asked which will consist of fill-in-the-blank, multiple choice and true/ false questions.
