THE MAZZAROTH THE GOSPEL WITNESS OF THE STARS

"For since the Creation of the World, GOD's invisible qualities, His Eternal Power & Divine Nature have been clearly seen, being understood from what has been made, so that men are without excuse." Romans 1:20

The constellations in the Heavenlies proclaim the ageless testimony of God's and redeeming plan for fallen Mankind. It was fashioned before the foundations of the world began. It can only be configured from Earth's reference point of view. It begins with Virgo and ends with Leo -declared and displayed for all the Principalities, Power, Humanity and Lucifer to witness. It was the knowledge taught and handed down from Adam that became skewed with the Fall of Mankind due to sin. Thus all cultures since then have had a folklore of a Christ figure -Redeemer crucified on a cross, killed and resurrected like Krishna of the Hindus. When the Spanish Conquistadors came to Mexico, the symbol for Quetzalcoatl the 'Feathered Serpent' was a cross on which he was crucified. When Christian missionaries encountered the Dogon Peoples in Africa, they also had a cosmological story of 'a Son' dying on a Cross. Each emerging culture/civilizations ascribed the Zodiac deferent names and symbols to the constellations, to a degree; yet the meaning has stayed exactly the same. It is not Astrology that Lucifer has corrupted to be but Biblical Astronomy –the study of this 'silent witness' as the Apostle Paul admonishes us to consider. When the Ethiopian Eunuch was reading about the 'Suffering Servant' of GOD in Isaiah and who it was referring to, the Apostle Phillip identified and explained that this Redeemer is Jesus Christ of Nazareth, the MESSIAH and no other before or after to come. -Act 8:26 The antithesis of this witness storyline is that of Lucifer's ultimate destiny of judgment and doom. -John 12:31 The primary source is taken from the study by E. W. Bullinger's The Witness of the Stars, 1893.

THE ECLIPTIC: It is an imaginary line that shows the path the Sun apparently "travels" against the fixed stars – Zodiac (celestial sphere) as the Earth revolves around the Sun during a given year. It takes 1 year to traverse the ecliptic. The Sun stays in 1 'House" or sign of the Zodiac for about ~2000 years; it would ta roughly 27,000 years to complete the grand sweep or often referred to as a Great Year.

PAST

A facsimile of GOD's Throne (a perfect Cube) was given to the Nation of Israel where GOD יהוה could interact with Mankind to a certain degree due to the Fall. GOD had the 12 Tribes of Israel configured by a 'sign' / standard as they encamped around the 'Throne.' The 4 main quadrants that made up were the Lion, Man, Bull, Eagle, The encampment configuration, based on popular Temples were fashioned to the same exact blueprint given by GOD.

PRESENT

TABERNACLE IN HEAVEN (THRONE OF GOD) Ezek 1:26 & Rev 4:7 -Conceptual

There are few glimpses into how God's Throne is like. God's Throne always faces East located on the 'Sides of the North' in the 'Mountain of the Congregation.' It is different from His Merkavah Throne, or mobile Chariot from Ezekiel with wheels suspended on the Seraphim's. GOD's throne is surrounded by the 4 Cherubim 'Living Creatures' -Eagle, Ox, Man , Lion. The 24 Seated Elders represent the Redeemed -seated in Heavenly Place in Christ Jesus. -Eph 2:6 Jesus Christ is the only One that holds the office of Prophet, Priest & King.

FUTURE

TABERNACLE ON NEW EARTH (NEW JERUSALEM) Rev 21:1

According to the Bible, there will be a New Heaven and Earth, GOD's literal THRONE will descend with its 12 layers of Foundation Stones and Gates. It will be cubed shaped as was all prior copies. Earth will have no seas; a River will flow out of the Throne and no need for a Sun.

> The Sun takes 1 year to traverse the Ecliptic, and with it the Gospel Witness of Christ's redeeming work is retold to every generation. The Ecliptic has 4 cardinal celestial points that correlate to the Earthly 4 directional points of the compass. They

are marked off by the (Lion, Ox, Man, Eagle). These cardinal points and symbols are seen and are ascribed to the Gospel themes of Matthew, Mark, Luke and John. These attributes of Jesus Christ -The Servant. The Man, The King, God glorify GOD's throne -in Heaven

and what was in the copies on Earth and what will be coming in the future.

THE MAZZAROTH מזלות

In the Hebrew Bible, the word comes from the Babylonian word Manzaztu for 'station and position' from Job 35:31-32. A very similar word also occurs in 2 Kings 23:3-5 referring to the Constellations. It refers to the Zodiac, the pattern of stars on the Ecliptic. It is believed that the current cycle has been in the Age of Pisces (Church Age). Other state that the next station or 'house' to be entered is the Age of Aquarius, the 1000 Year Millennial reign of Christ on Earth. Each of the 12 Signs have 3 sub-signs that complete the Story.
