Dear Teshanne Philip

RE: CLASSROOMS RENOVATIONS, SCHOOL FEEDING AND SCHOOL LIBRARY
AT KWAMWATU PRIMARY SCHOOL MATUU ZONE YATTA SEIMI ARID AREA
KENYA

Greetings

We wish to express our gratitude and appreciations the effort you are undertaking to help our school since you last visited us with Simama na Dada.

We shall never cease to thank you for your considered gift of love of shoes and school bags that has greatly enhanced the pupils comfort in school. it was by God's grace that you chose to visit us. We pray to God to grand you more favours and supplies everywhere you go as you mobilize resource towards our school facelift.

Kwamwatu primary school is a public primary school which was founded in the year 1974 has currently 270 pupils and 11 teachers. Our school is located in Matuu ward of Yatta Sub County in Kenya.

The school just like the neighboring community faces challenges of water and food. Most families depend on government relief food whenever rains fail (which is a common occurrence in this part of our country).

We therefore welcome the I am Hope Foundation initiatives that will support our local community in upgrading the school. I further confirm that the government has no objection with your support that will directly benefit the pupils and the community.

We wish to affirm our commitment and support that will see the pupils of this school

1. Learn in good and hygiene environment
2. Have steady and adequate supply of lunch
3. Have resource library
4. And any other facility of service that will better our school academic performance

We wish to update you that, the contractor visited our school in Company of Mr. Wesonga and worked on the estimates as you had asked for;

1. Class room floors
2. Class rooms walls
3. Class rooms windows
4. Class rooms doors
5. Cooking places
6. Cooking stoves

We are confident that he will share with you the estimates and commence the work soon.

On behalf of the Kamwatu primary and Kwamwatu Community, once again wish to thank you and look forward to your communication.

Yours,

HEADTEACHER
