Subject: GHC- Message to Clarify the Vote on the color change of our buildings

Hello Owners;

This message is to clarify the "Vote on the color change of our buildings".

You are being asked to approve the new color palette of:

- Alabaster
- Sea salt
- Acacia haze
- Linen

Do you approve the proposed change in color palette of the buildings in the community, from the current existing color palette of brown and cream, to a new color palette of alabaster, sea salt, and linen, along with optional acacia haze (as ultimately approved by the Board of Directors), as a material alteration of the Common Elements?

The paint committee merely made a recommendation for what could go where.

The placement of these colors throughout the Gulf Harbors Condo complex will be determined at a later point. These colors may be intermixed such that sea salt could be the main color and alabaster the accent color, for example.

For now, the intention is to get the new color palette approved.

If not approved, the buildings will be repainted brown and cream.

Thank you.

Gulf Harbors Condominiums Blue Stream Fiber

MARCH 1st, 2023

The **bulk TV service** with **Spectrum ended** January 31st, 2023.

To **Register** for the new **Blue Stream Fiber TV and Internet**:

- Dial the dedicated GHC telephone number **727-491-5550**,
 - Press **Option #4**, to start a new service and register for Blue Stream Fiber (BSF).
 - Advise BSF, if you have a telephone landline to also move over.
 - Arrange your installation date.
- **AFTER** your **Blue Stream** service is installed
 - Call **Spectrum** at **1-833-697-7328** to disconnect their service.
- ❖ Then return your **Spectrum equipment** to **The UPS Store in Southgate Plaza** and **obtain a receipt of return.**
- ❖ GHC has a new contract with Blue Stream Fiber, AND Blue Stream TV & INTERNET is now included in your monthly maintenance fees.

Check the GHC **Owners ONLY Website for FAQ's and more information on Blue Stream Fiber...**
