Minutes - Minutes of the January 11, 2017 were passed around by Carol Kucharek.

Treasury Report - Carol reported that the Social Committee has \$2074.67. This does not include \$132.92 for the South Building Christmas Fund and \$313.77 for Water Aerobics. The following committees contributed: Bridge \$511, Euchre \$76, Book Club \$17, 50/50 Raffles \$644.

Carol brought up the possibility of covering the doors to the party room and recovering the office door with the same pattern of film.

---

Sally Hadden motioned to cover the doors with a film that prevents from seeing into the social room.

Lynn Dawson seconded the motion.

Discussion was held. Carol said that Justine has \$220 in Comcast Reward Money and a portion of that would pay for the film.

6 voted for covering the doors, 3 voted not to cover the doors and 1 abstained.

After further discussion of various other ways to cover the doors, Carol said that just the office door would be recovered. This would give us a chance to see what it looks like and then we would decide if we want to cover the party room doors. We also voted to use the diamond pattern.

Carol asked if any member had a project that they would like the Social Committee to undertake.

1. Sally brought up the possibility of getting a sound system that would be installed in the Poolroom that could be used for water aerobics and other outdoor functions. Sally will research this and bring us information. Social Committee is willing to spend up to \$1000. Sally or Carol will ask to have this put on the April 18 Board Meeting for approval with the understanding that the Social Committee will pay for this.
2. Carol needs \$300 to restock supplies for the next season.
