8. Open Floor:

Brian Thompson had mentioned in a previous meeting about the club sponsoring a poker run. He talked to us again about the run but laid out in detail what it would take from all of us to get this going. A successful poker run would take around 5 committees: Director, Logistics, Registration, Media and Awards. Each committee has its own duties and would take 6-8 months to plan. Brian will be in Cuba for a year so we decided to shoot for the summer of 2020. There were a lot of questions by members such as amount of entry fee and what it would cover and would it be open to all cars and maybe even bikes. Kay asked if members would be able to participate in the run. Jim asked if we would need special insurance. It was mentioned that sponsors might help on some of the committees. Someone suggested that First Security Bank might be interested in sponsoring. All of these were good questions and suggestions. Everyone be thinking about this and we will discuss further in the months to come.

50/50 DRAWING
