Once on the phone with the agent, ask the following questions:

1. Do I have out-of-network benefits for out patient mental health and/or substance abuse services?
2. Do I need to have prior authorization to have services covered? If so, how do I go about getting authorization?
3. Are there any deductible, co payments, out-of-pocket payments or other payments that I am responsible for before my out-of-network benefits kick in? If so, what are these amounts?
