

Sept. 1, 2015

Dear Race Family and Friends,

I am writing to you on behalf of my brother and sister-in-law, Chad and BreeAnn Olsen. The Olsen's lost their oldest child and only son Tyce in a motocross accident. I am coordinating a fundraising effort to gather funds that would enable us to enter and purchase a Festival of Tree's tree that can be enjoyed by the Olsen family for years to come, while at the same time benefiting children and families being treated at Primary Children's Hospital.

For 44 years, the Festival of Trees has been known as "A Gift of Love" for children at Primary Children's Hospital. It features beautifully decorated trees, wreaths, baskets, stockings and Hanukkah displays available for bidding. This unique holiday celebration has become one of Primary Children's Medical Center's largest fundraising events raising more than \$35 million since 1971. Of the \$1.8 million generated last year, every penny helped children and families treated at Primary Children's Hospital.

We would like to memorialize and pay tribute to our little "Strat Man" Tyce Stratton Olsen, who was tragically killed on March 16<sup>th</sup> 2014 in a motocross accident, while at the same time helping other children and families in need. We feel that now would be a good time honor his memory and help pay it forward for all the love and support that the Olsen family received from Primary Children's Medical Center. We would like to raise money to enter a tree that can be enjoyed by a family, children or charitable facility for years to come, with 100% of the proceeds made at the Festival of Trees being donated directly to Primary Children's Medical Center in Tyce's name.

Donations can be sent, either by check or made at any Granite Credit Union, to the Festival of Trees Account in the name of BreeAnn Olsen. The following link provides branch locations and phone numbers <https://www.granite.org/branches>. The account was set up at the Riverton Branch located at 12538 Creek Meadow Road phone number: (801) 288-3000 or 1 (888) 428-8326

I thank you in anticipation for considering our request for donation funds for the sake of honoring Tyce who lived so much life in such a short time, while at the same time helping other children and their families being treated at Primary Children's Medical Center. Together, we can make many lives much easier and better. If you have any questions about our efforts, please feel free to contact me at the address or telephone number provided above.

Thanking you for your consideration,

Staci L. Olsen
