

# Public Relations Council of Greater Atlantic City

**Communications and Marketing that Drive Local Business**

Dear Fellow PR Practitioner,

If you're like many of us, you've advanced in your career with a little help along the way. Perhaps it was a boss who took an interest in you or another valuable mentor who helped you reach that next level. Here is your opportunity to do the same for another PR professional, just embarking on his or her career.

The Public Relations Council of Greater Atlantic City has initiated Public Relations scholarships at Stockton University and Atlantic Cape Community College to be awarded annually to outstanding students majoring in the field of Communications. The recipients must live in Atlantic or Cape May county and have earned at least a 3.0 GPA. In 2015 the PR Council awarded one \$500 scholarship to an Atlantic Cape student and one \$1,000 scholarship to a Stockton student, for a total of \$1,500.

For the coming year, the The PR Council hopes to contribute up to \$1,000 to each college for a total of \$2,000 in scholarships. With your help we can make this possible. By donating to the Shore Scholarship Fund, you will receive the satisfaction of helping another professional on a rewarding career path.

We welcome your donation at one of the levels below. We also appreciate your continued support of the \$5 business card drawings held at our monthly meetings. Funds from this drawing have helped underwrite our scholarship program in recent years.

Thank you in advance for your consideration!
