

NEW ZONING ORDINANCE

The City has released its Revised Draft New Zoning Ordinance for public review and comment at www.GoletaZoning.com

WHY IS THIS IMPORTANT TO ME?

Zoning helps define how properties are used, what new buildings look like, and how much development can occur in a community. It protects recreational areas and allows for open spaces in neighborhoods.

Attend meetings to learn more, give feedback and ask questions. All meetings will be held at City Hall (130 Cremona Drive, Suite B)
