Star Group

If you are on Stage 4 or higher in Canskate and are wondering what is next for your child, here is the perfect opportunity for you.

Star Group is the next step from Canskate and focuses more on figure skating skills. This is a group based lesson with a professional coach for the entire time. Your child will learn things like jumps, spins, new turns and more.

The coaches encourage, that skaters do at least two sessions per week, as this is beneficial for progress and practice.

Talk to one of our coaches today, they would gladly answer any questions you may have.

You must have figure skates. This is open to boys and girls. The club has some rental figure skates available to try (boys and girls/limited sizes available).
