Serious Injury Solicitors and
Amputation Injury Specialists

At **PotterReesDolan**, our expert solicitors are here to help you claim the compensation you deserve following an amputation through **personal injury** or **clinical negligence**.

We have seen first-hand how traumatic the experience is and how difficult it is to overcome an amputation.

Our solicitors are highly experienced in helping amputees to gain the compensation that is crucial for re-adjusting to their new circumstances.

Amputation claims typically have a **three year limitation** from the date of your injury, so you should speak to an expert as soon as possible.

VOLUNTEERS NEEDED

It is with great sadness that we have to once again ask for volunteers to help at the Royal Hospital and the Prosthetics and Wheelchair Centre at Aintree. Unless we get more volunteers, we won't be able to offer these services.

DON'T LEAVE IT TO OTHERS

Volunteers are only needed on a monthly basis for one or two hours at Aintree and the Royal to meet and greet other amputees who might need help or advice.

We are making giant strides to get into the Royal and hopefully we will have our own room where we can talk to people in private. Ladies can be accommodated with a lady amputee if required to offer help and advice from a female perspective.

ACSIL have electric wheelchairs, ramps, zimmer frames and other aids available for members to borrow on a first come first served basis. Ring the office to check availability and we will try to accommodate you.

Please note: these can only be allocated to our own members and must be returned as supplied originally.

NEWSFLASH

ACSIL are arranging many days out over 2017 so you MUST get your name/s down as soon as possible to avoid disappointment. We try to be as fair as possible but numbers ARE restricted, latecomers usually miss out! Ring Ron ASAP to book early.

Introduction to ACSIL

What we do: We provide free and confidential support in the Liverpool and Merseyside area for people for whom an amputation may be necessary or who already are amputees, this also extends to their families, partners and carers.

Support: Based on first hand experience we can provide advice, practical help and support when and where needed. Much of our support is given in hospital prior to the operation and just after the operation.

And after: The Amputees and Carers Support Group is an active and dynamic group who meet regularly and organise social events to benefit members.

Our social day is on a Thursday between 10.30am and 4.15pm where you can chat and socialise with other people in a similar situation as yourself. We also provide day trips on specially adapted vehicles.

Interested? Then contact ACSIL between 9.30am and 1.30pm Monday to Friday on 0151 261 1166 or come along to our office and drop-in centre at:
