2015-16 School Maintenance Employee of the Year Award

4/07/16

Dear Superintendent of Schools,

The nomination for **Maintenance Employee** of the year will typically come from your Maintenance/Facilities Director. The maintenance employee makes a significant impact on the readiness of our schools on a daily basis. His/Her hard work keepss our buildings, classrooms, offices, and grounds in good repair, safe, comfortable and inviting for our students, teachers and staff.

The South Texas Association of School Maintenance Officials (STASMO) want to recognize the hard work and dedication these individuals exemplify. Nominating one of your **Maintenance Employees** for the **STASMO Maintenance Employee of the Year Award** is a unique opportunity to acknowledge a valuable team member whose role is essential to the success of the school district maintenance operation.

Each **school district** may submit **one nominee**. The nominee should be a full time maintenance department employee who has been with the school district at least 9 months and who routinely demonstrates high standards of performance, teamwork, enthusiasm, resourcefulness and dedication.

The **selected nominee** for the award will be invited to the STASMO Summer Conference on **June 23rd** at the South Padre Island Convention Center to join us for lunch and be recognized. He will be presented a **plaque** and **Gift Certificate**.

Nominations will be accepted thru **May 15th**. Email nominations and attachments to, stasmo2006@outlook.com or fax to 866.295.5082.
