Over the past several years, Fr. Timothy has focused on marriage and parenting enrichment, interpersonal neurobiology, and trauma. His presentation has been widely received as inspirational and exciting. He and Presvytera Victoria have been married since 1995 and are raising their nine children.

Brian Fahling is a constitutional lawyer who has litigated same-sex marriage in federal and state courts across the country. He has also debated and lectured on same-sex marriage (and other social and constitutional issues) at universities, law schools and in televised forums. Brian will explain how the Holy Fathers persuaded the unbelievers of their time on similar issues and how we can call upon their wisdom to do the same in our time.
