To Whom It May Concern:

It was a wonderful encouragement & blessing from God to receive your generous donation of ten \$10 gift cards to Shop Rite!

It might be hard to imagine that God is ministering to more than 600 poor children as well as feeding nearly 10,000 hurting Long Island families each month through His "little" Lighthouse Mission. What is also hard to imagine is that the Lighthouse Mission is NOT government funded. Due to being a CHRISTian organization, we do not qualify for many financial grants. So, how is it possible that the Mission can accomplish so much each month with so few resources? The answer is YOU!

The Bible teaches us that whatever we offer to Him in faith (no matter how large or small), He will expand to meet the need (check out Matthew 14:13-21... a loaves & fishes thingy). God has NEVER let us down.

We are excited to partner with you as co-workers in spreading the good news of Jesus Christ here on Long Island using God's Word & deed.

If you are in need of prayer for any reason, I, myself, as well as the other pastors and staff here at the Lighthouse Mission would be blessed to pray for you. Simply call or e-mail our office at the information provided.

We are excited to see how God WILL use YOU next!

God bless you!

Pastor James Ryan Th.D.
President
