

How to Register for the Retreat:

Early registration is suggested. Classes normally fill quickly and Class Enrollment is limited to allow for maximum student to instructor ratios. Generally, the Retreat is over 70% filled by the mid August.

Program costs:

Tuition this year remains at last year's price of only \$295.00. This buys you all meals from Friday's Dinner through Monday's Lunch and includes lodging for Friday, Saturday and Sunday nights and your instruction.

Other out-of-pocket expenses:

- Each Carver pays the Instructor a \$20 one-time fee to take the class, plus the price of the materials. Price ranges vary per Instructor.
- Bottled water and soda will be available for purchase at a nominal price.
- There will be raffle items to bid on, drawings will be held on Monday.
- Tool sharpeners Leon & Delores Standish will be there to sharpen your tools for a nominal fee. Your tools will never have it so good!

Registrations are accepted on a "first come first served" basis, using the post marked date on your registration form. Generally, the instructor/class program is firmed up and registration forms available by May 1st.

Refund Policy: Full refund if we are notified by September 1, 2019

If you are unable to print the registration form, please write the information on the registration form on a piece of paper and mail it in with your check.
