LETTER TO THE EDITOR

Dear Editor,

I agree with the end goal of the Black Lives Matter movement, equality and justice for all. However, there is a major flaw and hypocrisy in the movement.

The major flaw in BLM is there is no mention of the most innocent and vulnerable black people - the unborn.

A recent Ft. Worth Star-Telegram article (https://www.star-telegram.com/article243801797.html) stated that 36 percent of abortions in the United States are to black babies.

One of Black Lives Matters' slogans is "All lives won't matter until black lives matter", but the reality is black lives won't matter until unborn black lives matter.
