

Hello! I am Tina Silva – Emergency Child Care (ECC) Certified - self motivated and highly reliable. Let me give you a brief introduction about myself. I am a mother of two children, daughter (24) working for U.S. Education Authority, son (13) years. I have lots of experience working with children and tactfully handle them with love and care. I was a hairstylist for 23 years and worked in a kid hair salon. I lost passion towards haircutting but still adore being around children. Furthermore, I have also been a babysitter since I completed my salon career. When I deal with children I feel I know what to say and how to act to children's requests and concerns because as a mother I know what a mothers expectations are.

Thanks Tina.
