

Can you believe that just one traffic light past Wildwood is Jetty Park at Port Canaveral. (Would we lie to you??)

The weather on May 20 should be welcoming!

Rental chairs and umbrellas at this park are cheaper than anywhere else in Florida and since this beach is wide, it may be money well spent. You can reserve the equipment in advance on your application form.

You might enjoy a walk (or some fishing) on this pier.

Just be prepared to put any "catch" in a sealed container below the bus!

There's also a two-story lunch cafe and a small sundry (no, not sundae!) shop.

If you've had enough sun after several hours, you can join us at 2:00 for an optional visit to the Exploration Tower just 2-3 blocks away. It's 7 stories of fun, scenic beauty, and exploration for only \$4.00 for Seniors.

To learn all there is to see and do there, visit <http://www.explorationtower.com/plan>

We'll then proceed to dinner at 3:30 just across the street at one of 3 channel-front restaurants, including

Fishlips <http://fishlipswaterfront.com/>

Rusty's Seafood and Oyster Bar <https://www.rustysseafood.com/>

or Grills Seafood and Tiki Bar <https://www.grillsseafood.com/port-canaveral/>

You can view up to 3 cruise ships sailing out of Port Canaveral as we sit down to dine.

To join us on this trip, print the reservation form (click on green button below) and mail it along with your check (made out to the BBC) for \$28 per person to the address below. On May 7th, we will conduct our lottery and you will be notified shortly thereafter of your seat confirmation or waitlist status.
