Fall 1990

Presidents Letter

Summer has come and gone and many of us find ourselves caught up in the hustle and excitement of the start of the Fall darting season. As many of us lock in our sights on the number one spot in the division we find that some of us are a bit rusty from the summer layoff whereas a number of darters are still riding high from their achievements in the Summer league.

Participation in the Summer League continues to grow with this year showing the largest turnout to date. The Summer League Banquet, where those who earned awards are recognized, was open to all Summer League participants. The banquet was held Sunday September 16th from 2pm until 5pm at Growlers Pub. To everyone who played in the Summer League and to everyone taking home the glory of first or second place thank you and congratulations.

Now that the Fall Season has gotten off to a smooth start and everyone readies themselves for league competition I can see its going to get quite busy in a hurry. As you should already be aware, league play will follow the same format this year as it did last year except in the Orange Division which will follow a 27 point per match format. As I've already mentioned, the Summer League Banquet is Sunday September 16. Next there is the \$7500 Dayton Dart Open September 28, 29 and 30 at the Holiday Inn on Dryden Road. Show your support for darts in our area by supporting this tournament and taking a chance at taking home some of the prize money. Then there are the Luck of The Draws at various pubs in Dayton, a few larger tournaments in the area and the Quad City All Star Match in November.

If you are interested in trying to make the All Star Team, qualifiers are already being taken with the last scheduled qualifying being Sunday, October 28 at Katz. With the All Star Team, the Dayton Darting Association is trying to compile the best darters (28 men and 14 women) in the area on a team to compete at the Quad City match against teams from Cincinnati, Cleveland and Columbus. The Quad City match is held Sunday, November 18 in conjunction with the Buckeye Open (November 16 and 17) at the Radisson Hotel (I-71 at Morse Rd.) in Columbus. Qualifiers are being held at scheduled locations and times as posted (details inside). Furthermore, if you encounter a Board Member with the time and another DDA member is present to act as a witness, you may attempt to qualify at a designated location. So to all you hot shot darters out there, show up at a qualifier, make the team and then lets all go to Columbus and take names. If anyone else is interested in supporting the team as well as seeing some great matches thrown, contact the DDA and/or a team member to see if arrangements can be made (car pool) and show some league support for Dayton.

Respectfully,
Mark A. Grencavage
President, D. D. A.

Quad city challenge is coming up and qualifiers are taking place until October 28th. Other local tournaments are also going on, so get out there and get your share of that prize money (or pay your dues, whatever the case).

As promised, a summary of the last few board meetings is here somewhere. We got some feedback about the last issue, and I am glad to report that it is positive...so you all love it huh? Surely there is some room for improvement, and I would like to hear about it. Please send some comments or something...(It seems like I never get any mail)...you don't even have to sign it (I'm good at handwriting analysis).

Don't be surprised if the next issue of the newsletter looks like it was left in the dryer too long...I found out that postage rates are due to change soon and we would be better off to make the newsletter smaller.

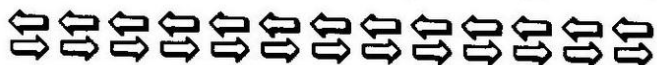

If anyone out there knows of someone who may be interested in advertising in this newsletter, please contact me or anyone on the committee and we will bother them for the next seven years or until they place an ad.

Thanks to the newsletter committee for all the hard work & sweat...but don't stop now...Lou.

Here we go...as the weather begins to cool and everyone gets back into darting, we decided to send out some info which you may or may not be interested in. If not, please give this thing a decent burial or cremation. Anyway, fall is an exciting time for darts. There are many local tournaments and other events scheduled for the near future.

For example, the Dayton Dart Open is at the end of September and always proves to be a good place to gain some tournament experience. The

## THE DARTER

"I want to be the best" the aspiring darter said as he pounded away at the trip twenty for the 15,000th time, it seemed.

"Sam Few once told me that he never went to bed at night until he'd hit a 8T0. I'll never get good enough to do that."(trip 20, s1, s5)

"I want to beat Bradley" he thought as his arm tightened up with that 28 gram bullet perched perfectly between thumb and index finger, "Bradley makes this 8T0 stuff look so easy, I can do this" (trip 20) "I've won against him in an LOTD before." (trip 20) "But who am I kidding, I'll never make Gem division" (s12) "Damn, I'll never hit that 3rd dart either".

Ripping his darts out of the board and throwing them into his wife's favorite bamboo blind across the room, the practicing darter almost gave up. Seething with frustration he picked up his spears only to notice a broken shaft due to his own abuse.

After repacing his \$3.50 aluminum shafts with plastic spares he'd gotten from the guy who carries around the dart suitcase, the frustrated darter plodded onward.

As he hit a trip 12 he thought of Tereasa Wahlrab, whom everyone teased for making that shot her specialty. Suddenly an unrelated memory of a night at Hanks pub sprang into his mind.

The Darter had gone in one Monday evening hoping Yo Linda would cheer him up after a bad day of work, only to find the front boards taken by Ladies Gem 10 practice.

The coach, or Donna the Dancing Dictator as the women called her for some unknown reason, was telling a girl to get her head out of her back side and stop being so negative about consistant 26's during a particular game.

"Just because I switched your doubles partner doesn't mean you can shoot this crap. You can do better and you know it. You can do anything if you'd just get past this attitude problem."

Attitude...(trip 20, trip 20)... don't think, just believe...(trip 20.) Suddenly a beautifully lined perfectly spaced group of three darts appeared in that coveted red rectangle directly above the bullseye. It had finally happened.

With an attitude, the tired darter finally went to bed. With one last thought creeping into his mind "RC, Wolff, Lovash, Billy Jr., all of you and yes Paul Lim, even you are history". With that thought an unconcious smile crossed the face of the sleeping darter.

From Hank

Theres so many things going on I don't know where to begin.

The excitement of the Fall league starting, new teams getting together, new dart bars, new sponsors and from each team quote "we are going to win" unquote.

Welcome, new dart bars, "Bartles", "Faulkners", "DESC" and "Growlers". Darters are special people, you'll never be sorry you put up those dart boards.

We're starting early for the All Star team. Don't you feel like its time we won that trophy? So lets have a big turn out for the try outs and get a strong team - and win.

Those Gem City girls have gotten me spoiled. Their winning spirit is really nice to be around. Thats the attitude we need for the All Star team. I see so many good darters out there who don't try out - we need you. We want to win. Beat Cleveland - Beat Cincinnati - Beat Columbus. We want that trophy and that honor. Lets have 100 percent effort.

If you like to play darts then don't forget the Dayton Dart open September 28, 29, and 30th. This is quite an event for the Dayton Darters. We get many out of towners and its fun to watch them play, but its also fun to beat them. I hope you all will support this tournament. If you will, then maybe we can have more tournaments.

I'm so happy to report our Jackie Gordon is now Mrs. Bill Bitzer. They tied the knot August 31st. Congratulations to you both and may all your troubles be little ones.

Steele Price and Tamara Hartsell are tying the knot September 15th and then after the honeymoon they are moving to California. Congratulations and good luck. Hope California is every-

thing you expect and hope its the end of your rainbow.

The same good wishes go to Greg & Karen Nicoll as they are moving to California also. We hope you find its everything you want it to be.

The last newsletter I forgot to mention a very important event. I hope the proud parents of James Howard Medley the Third will accept my apology. Jim and Joan Medley are those proud parents.

Hanks Pub sure misses the Big Guys but we wish them the best of luck with their new teams. Hope they get back together someday.

Special get well wishes go to Carol Chandler she plays with Hanks Zappers, and she has been ill for some time. Hurry and get well we miss you.

A little word in regard to your favorite dart bar. This is a tough business to be in today. With the laws being such as they are, it would be wise to have your team to designate a driver. Some teams are traveling quite far. Better to be safe. Be kind to your bartender and obey the rules of the house. All bar owners are happy to have you there. I know I am.

Tamara Needles and me-Hank Duff won this last round of Ladies Lucky sixteen. Lou Lovash and Rick Scheper won the mens. Anytime you want to join up come to Hanks Pub Monday for the ladies and Tuesday for the men. We'll sure welcome you.

A year goes by so fast so it seems to some - to others not so fast. When are you coming home S. C. ?

Who the heck is bubbles ? See you around - playing darts.

ON THE ROAD

We had four Dayton darters venture down to the \$1000 dart tournament held at St. Peter & Paul in Norwood August 19th.

The tournament was well run & everyone was helpful in trying to cope with the heat. But even the heat doesn't stop darters.

I'm proud to say they all four did well, despite the stifling heat they had to endure.

Melissa Search got top 8 in Ladies 501 Singles while Mary Toney finished top 4.

Doug Litgget and Jeff Keller had a tough loss when they finished second in 501 Doubles.

But Jeff ended up with the best record of the day when he finished 2nd in Open 501 Singles.

Still fired up from this win the guys talked us into going back to Dayton for the Cubbyhole LOTD immediately following the tournament. There Doug and Jeff continued their winning streak by drawing each other and winning the draw.

All in all, I'd say it was a great day for Dayton, me personally I was just glad to have a cold beer at the Cubbyhole after drinking warm beer all day, thanks Shell.

Several Dayton Darters traveled to Ft. Wayne to throw in their tournament this summer.

It turned out to be Shelli Hixsons tournamnet, at least in our circle. Shell finished top 8 in both ladies 501 singles & cricket singles. Then teamed with Mary Toney to get top 8 in Cricket doubles. Mary & Bradley W. then went to top 8 in mixed doubles. But Lou won the Bluesberry 1st prize.

Then if you were to ask Ken Matlock how far I75 goes he will say forever.

Ken & Jeff Keller traveled down to Sarasota Florida Labor Day weekend to compete in their tournament. In both 501 & Cricket doubles the guys got top 16, with Jeff banging a 180 to get them there. Jeff then got top 32 in 501 singles. In the blind draw, Ken finished top 32 with Jeff at top 16. Just how far will you travel to throw darts?

Ask the group who went to the North American Open in Las Vegas. Hey P. T. did anyone take their darts?

**When a Triple is not
Your Best Shot
-or-
When a Single is
Worth a Triple
(or More)**

Sometimes you are much further ahead to throw a "fat" dart than trying for the triple. Don't throw that third dart into a tight group if a single will do.

Cricket-If you have one dart left and need a single to close a number that your opponent already has closed, the best place to put that dart is right between the double and triple rings...in the fattest part of the single...since a miss at a triple will leave the door open for many points to be levied upon you and a triple will not really help your cause.

01 games...keep in mind that the t19 is only 3 points less than the t20...so if the t20 is blocked, bon't hesitate to drop down to the t19. Plus if you are not hitting the t20, it is often good to try for another target and refocus your concentration.

Practice up and only throw "smart" darts...Lou.

NewsJulie & Pete Mougey are expecting twins the first week of March, 91.....Breakers (formerly Skiddles) is now open and ready for darters.....Steele Price & Tamra Hartsell were married September 15th, good luck.....Jeff Keller moved back to Florida - guess he couldn't stand the thought of winter in Ohio.....

OOPS...Mike Bernard hit his first 180 and we missed reporting it in the last issue; sorry Mike, we'll be sure and get the next one - Editor

Goodbye...John Thien passed away Wednesday, September 5th in his sleep after darts. John had been a DDA member for 8 years and most recently shot out of Clancy's in the White division. He was 42 years old. We'll miss you John.

DDA BOARD MEETING MINUTES

June 18, 1990

Meeting called to order at 7:23, President welcomes new board members Tamra Needles, Maureen Bennett and Shelli Hixson.

Lou Lovash is appointed newsletter editor.

The Banquet was a success, for the first time in four years, we did not waste money on people not showing up. We made reservations for 330 and they all showed, and we did not run out of food. The question of members having to pay for pop at the banquet was solved by the hostess providing it at no charge. Everyone seemed to have a good time, and Alex's is more than willing to have us back, but we may be too large to have it there in the future. The banquet costs were within budget.

The President encourages new board members to read the Rules and By-Laws they were provided with. He feels that they will be doing themselves and the members a better service by being informed.

President submits Larry Furrow to fill vacant board position, vote was taken and he is accepted.

President reports that the Summer League is in full swing with seven full divisions for a total of 42 teams. The Summer League has grown in the last four years from 12 teams to the present 42. He would also like to point out that last year was the first time that the Summer League has totally supported itself without help from the General Fund.

A discussion of the polls taken during the banquet follows.

An incident occurred during a Summer League match and one team requests a board member to be present during the next match of these two teams, Lou will attend.

Discussion of incident at Hara's Pub that a team got caught in concert traffic for about two hours, we will try to avoid this in the future by getting a schedule of Hara's activities.

Meeting Adjourned.

July 16, 1990

Meeting called to order at 7:16, roll taken, previous minutes accepted.

President reports summer league is moving, some money still needs to be collected, we need to be getting applications out for fall league, we need to set a date for applications to be due, committees will be appointed as required.

Vice President reports that he would like to audit the books before the next meeting and that this should be done once a year.

President submits Linda Busch to fill vacant board position, vote was taken and she is accepted.

President submits proposed budget for 1990-91. He reports that about 95% of the teams remained the same and took advantage of the reduced team fee of \$30. We presently have around 600 members in the DDA. The budget includes funds for five issues of the newsletter. The budget is voted on and approved.

***From the Desk of S. U. OMYNONA...***

Since last you heard from me I didn't hear anything about some of the proposals mentioned in the last column. Lest we forget those little gems of wisdom here they are again..... We're still looking for that office space to locate DDA central. Of course any space donation would be looked upon with great favor (maybe free dues for a whole year).

As the decade of the nineties is upon us lets look at the yearly DDA calendar. Sure would be nice to know all the upcoming events that our local dart scene has to offer. Officers and board members take note. Of course this calendar would include our summer picnic, golf outing, dart association tournament trip and even the bus trip to Cincinnati for the ball games. Looks like we need lots of time for new business at the next board meeting. By the way all members are welcome at any of the regular board meetings which are held on the 3rd Monday of the month at the Greenmont center off Patterson Rd. at 7:00 PM.

Just a reminder to be sure and qualify for the Quad city team at the various dart pubs and dart emporiums around the city. Maybe with a large turnout Dayton could win this one in Columbus for the gripper, gripper, grouper or just plain DDA. Watch for the posters announcing this event in you local pubs. Good Luck and good shooting.

Well last month we saw something about what the American Darts Organization does for us. I hope you read same and can see that this organization is the national body we need to further darts in America. I might mention that each quarter we receive enough copies of the "Double Eagle" newsletter for each of our members and maybe our officers and board members might find the funds in our treasury to mail same to us for our perusal. It might be nice to read what's happening in other parts of the U. S. A.

If any of you out there would like to respond to any of these thoughts drop me a line in care of Dayton Darting Association, Attn: S. U. Omynona, P. O. Box 292828, Kettering, Ohio 45429-0828.

All suggestions will be looked at for inclusion in my next column.

Well I'm off to the LUCK OF THE DRAW where the prize money is awaiting along with the big MYSTERY OUT POT for that lucky person whose going to draw yours truly for a partner.... Hell I hope he or she doesn't say "I just bought my darts today, are you pretty good"?

Until next issue I remain..... S. U. Omynona

This is a Dart Alert !!

September 28, 29, & 30 gives all you die hard darters a great opportunity to strut your stuff... The Dayton Dart Open has always been a wonderful opportunity to meet darters from other areas and see darts thrown at their best!

Every darter in Dayton should come out and see what all the fun is about. Speaking as a tournament groupie I can tell you there is no better high than getting into your first event. Win or lose, it is just completely different from your league experience. I try hard never to miss a tournament close to home & the Dayton Dart Open is always on top of my list.

The people in Dayton are lucky to be associated with a well run tournament right here in our fine city. But don't get me wrong there is always a great time had by all when they come out !

So show your support to your city & come out & shoot in your tournament, I hope to see you there. I sure won't miss a minute of it.

DDA Treasurer, Mary Toney

## HEY!!

When you write down your high scores, be sure that someone other than yourself can read them. If you aren't getting all your high scores published in the newsletter, it may be that I can't read them or that I don't believe you hit that 172.

Anyway, please write legibly and don't spill anything on the sheet that dissolves the paper.

Thanks...Lou.
