## Hello Members,

Hope all is going well in "your" quarantined world.

**As a Club, we have set forth a plan on how to go forth with meetings and socials.**

**The July meeting will be July 8th. Use Front Door ONLY.**

**NO Summer Social**, only regular club meeting.

**No refreshments** will be provided. Bottled water will be available. You may bring your own water or snack to personally consume.

**There will be no Library** but you can return books to the bin.

There will be **no "sales" table** for the foreseeable future.

With the guidelines we can only be at 50% capacity at the Lion's Club Hall. The capacity for the Lion's Club is 200 so we are under the **100 people limit**. Usual meetings are 39-47 people.

**Check in procedure:** Check in with Byron Jacob at desk.

Temperature will be checked at the sign-in desk if necessary.

Masks are mandatory.

Names will be checked off on the attendance sheet.

Write your name on disposable name tags (bring your own pen if you prefer).

Hand Sanitizer available on table.

Purchase 50/50 tickets (no door prize, 50/50 only)

Drop a donation for Angel's Place in the basket on the table.

Then be seated.

**Seating will be facing the podium** (different direction than usual, 6 feet apart. People from the same households may move together.

There will be a **small Program** and the Program table will be in front of the podium. No touching of items please.

There will also be a **Show and Tell** but no display table, you are asked to keep your item with you at your seat and hold it up to display and speak from your seats.

### Elections of New Officers

Due to Covid19 the current slate of officers have volunteered to remain in office for 2020-2021.

Unless someone contacts Keely Stockman with objections or intent to volunteer for a position, the board members present on June 10<sup>th</sup>'s meeting agreed to keep the current slate of officers.

We need all Committee Chairpersons to please contact Keely Stockman to let her know if you plan to volunteer for 2020-2021 as soon as possible. We would like that information complete by the August meeting.

Carol Joachim has already volunteered to do the Summer Social for July 2021 using same theme.

### Guest Privileges at Meetings

During our Board of Directors meeting it was brought to everyone attention that we needed rules for guests at our monthly meetings. So this is what was decided:

Members may invite guest to our monthly meeting.  
By their third meeting they need to become members.

Guests are never allowed to sell items at our meetings.  
This is a member's only privilege.  
(which is temporarily suspended during Covid19)

Astrid Musiette received her LE Smith covered butter dish and it matches her sugar and creamer perfectly! She purchased the sugar and creamer at an estate sale and found the butter dish on eBay.

P.S. they glow under black light.

## Patterns of the Month: Florentine No. 1 and Florentine #2

by Bonnie Theard

There is much to catch your eye in Hazel-Atlas Glass. Co's Florentine patterns: Florentine No. 1 (Old Florentine or Poppy No. 1) and Florentine No. 2 (Poppy No. 2).

Florentine No. 1 features hexagonal, serrated-edges on most pieces, a scalloped edge creamer, and both a plain round-edge and a ruffled-edge cream soup or nut bowl. There are six sizes of footed tumblers with round edges while there are two pitchers: a 36-ounce footed style with a round top and a flat 48-ounce style with an ice lip or no lip. A unique copper-clad sugar and creamer are rarely seen.

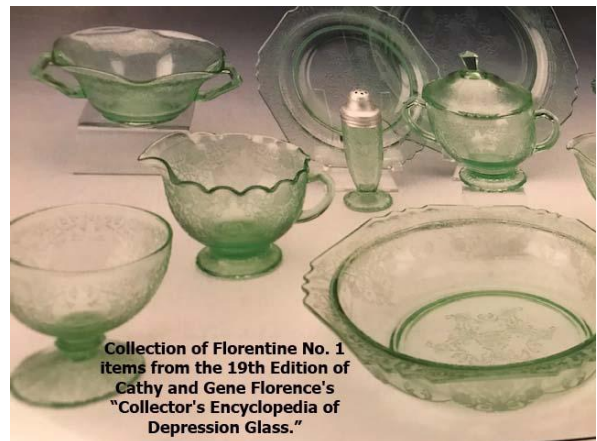

Florentine #2 features round-edges, no less than eight sizes of footed tumblers (including two rare in amber) and four pitchers: a 24-ounce and 28-ounce cone-footed, a flat 48-ounce, and a flat 76-ounce, each distinctly different from the other. The relish dish comes in a three-part style or plain.

The star in Florentine #2 is the gravy boat with indented oval platter. The gravy boat set is not available in Florentine No. 1 and neither is the vase.

The manufacturer produced both patterns from 1932 to 1935. Both offer grill plates, and the patterns were offered in mainly green and yellow, while there are some pieces in pink and cobalt blue. There is a rare ice blue pitcher in Florentine No. 2 as well as a fired-on red, orange, or blue set of shakers in Florentine No. 2. Be aware that reproductions have been made of both patterns. There are approximately 33 pieces to collect in Florentine No. 1 and 49 pieces in Florentine No. 2.

**Cool Summertime Recipe sent in by Jean Hebert**

**Pineapple and Coconut Yummy Poke Cake (from scratch)**

2 CUPS All-purpose flour  
2 CUPS Granulated sugar  
2 Eggs, Slightly beaten  
1 tsp Vanilla  
1 tsp Baking soda  
Pinch of salt  
1 20 oz crushed pineapple w/juice

*Frosting:*  
1 Stick (1/2 cup) Butter  
1 CUP Sugar  
1 Can 5½ oz Evaporated milk  
1 CUP Chopped Pecans \*  
1 CUP Shredded coconut \*

Preheat oven 350°F. In large bowl, whisk together all batter ingredients till just combined.

Pour into a greased 13×9 baking dish, and bake for 30-40 minutes or until a wooden toothpick, inserted in the middle comes out clean. Don't overbake.

While cake is still baking, prepare the frosting:

Heat butter, sugar, and evaporated milk in small saucepan till boiling.

Cook/stir for about 5 min, or till slightly thickened. Remove from heat and add in coconut/pecans.

Remove cake from oven, and using wooden spoon handle, poke holes in cake.

Pour frosting over hot cake, spreading to make sure it's all evenly dispersed.

Allow to cool for a bit before cutting. Very moist. Best warm.

***Jean's Hints :***

Toasting the coconut brings out best flavor, easiest in a coated skillet, watch closely.

Make the holes about 1 inch apart.

I did not use nuts, but they would definitely add more yum.

I made this in two smaller dishes, to divide the delight (one to share, one to keep). Make sure the square inches are equal to a 9x13 so cake thickness is equal. For ex. 9x13=117". And a 6x10=60" plus a 5x9=45" - 60+45=105". So my cakes are a little thicker than a 9x13....
