WELCOME TO OPPA!.....

Welcome to OPPA!'s Production of Cinderella! On Pitch Performing Arts (OPPA!) started just over 7 years ago here in Layton to give a home to theatre in Layton and a place for education in the arts. We believe that through the arts we can help create a better community for our families to live, work and play in. OPPA! is a non-profit run by an amazing staff and board of directors who work everyday to further our mission. We encourage you to take a minute and look through our website and find out how you can help support the arts here in our community.

Cinderella would not be possible without the support of many amazing people. The Production staff worked tirelessly to ensure that this show brings joy to you and your family. We could not have done this show without the support of that amazing staff, the staff at OPPA!, and the amazing people you are about to see on stage.

We would like to thank Layton High School, Rachel Helwig, First Community Bank, The Sorenson Legacy Foundation, and all our community partners for their generous support of this show and our 2023 season.

Please take a moment to look at our upcoming shows and get tickets or better yet get season tickets to our amazing 2023 season full of shows that will for sure keep you coming back for more. The last few years have been something of an eye opening for all of us and one thing I know for sure is theatre matters and is needed in our world and community right now.

Now as you enjoy the show please turn off those phones, and escape with us to a beautiful world, listen to the music, enjoy the story, but most of all relax and enjoy live theatre at a time when we need it most.

Sending love

#THEATRE MATTERS

DIRECTOR'S NOTE

Magic. It's something we all dream about and something we all want. There is something abosutely beautiful in those magical moments in life; maybe its a fireworks display in front of your favorite Disney Castle, or the moment you sit by the lake and watch the sunset. But whatever that magic is we all look for it and find it in different places. This show is all about magic from start to finish its about how the magic of life can change you in unexpected ways. Its about how Magic is all around you if you just take a moment to see it and believe it.

When creating this show we wanted to make sure to not only be true to the story but to find the magic in each moment, each character, and hopefully in each audience member.

I personally want to thank Ashley and Jared for their hard work and dedication to this show, it is definelty because of them that we have such a beuatiful show. Thank to Rachel Helwig, Halee Rasmussen, Stacey Haslam who all gave so much to make the magic happen.

Lastly thank you to you, for joining us for what we hope will be a magical theatre moment for you!

Enjoy!

-Brandon Stauffer

She is new to OPPA, but not new to the theatre world having performed as Marty, Grease (DHT), Kim MaCaffee, Bye Bye Birdie (The Empress Theater) and Chavla, Fiddler on The Roof (Windstorm). However this is her first performance with her daughter and that has brought an entire new magic to the world of theatre.

Anna's lifelong love of story and song lured her onto the ballroom dance floor, led to discovering her voice, and eventually, falling head over heels for the theater. Caitlin is incredibly excited to have the opportunity to bring Fairy Godmother to life in this brilliant production of Cinderella. Caitlin would like to thank the production team, her friends, her family, most especially her husband and three boys for their constant and patient love and support, and you!
