*Please keep in mind that there is a lot going on this week. All scheduled practices are subject to change. Our priority is to be with the dancers and teams scheduled to dance each day. If an instructor is not at a practice please start without us and we will get there as soon as possible.

*Awards note: We hope that everyone has a great experience at the Nationals. As an O'Rourke Family it is important that we be there for each other for support for both triumphs and disappointments. There will be a great mixture of both throughout the week. We hope more triumphs than disappointments. As students receive their printed results we know that they want to share them with the teachers but we ask that you please hold the paper results to be reviewed when we return to class in July.
