

Building Inspector Posting

Come grow with us in Riverside, "the Village in the Forest!"

Do you have building inspector experience? Are you ready to engage with the community and support safe construction practices? If you enjoy being in the field and in the office for plan review, the Building Inspector role could be for you!

Located just 9 miles from downtown Chicago, the Village of Riverside is a National Historic Landmark Community designed by visionary landscape architect, Frederick Law Olmsted. We have a highly-collaborative workplace that values employee contributions and ideas that improve Village processes and customer service. At the Village, we are committed to supporting our employees and providing opportunities to grow and expand their skillset. Paid trainings and professional organization memberships are available relevant to the position and career path of the employee.

The Building Inspector is responsible for compliance with Village ordinances dealing with zoning, property maintenance, building, mechanical, plumbing, electrical, and related codes to ensure successful development and building efforts. The Building Inspector supports all activities for the issuance of building permits, interacts with residents, consultants and staff, with an emphasis on providing equitable and respectful service while fostering fair outcomes.

ICC Residential Building Inspector certifications required, with a minimum of 2 years field experience. Plan Review certification is desired. This position's salary range is \$68,250 - \$109,200 with anticipated starting salary at \$88,000 +/- (DOQ) with excellent benefits.

You will receive 2 personal days, 12 holidays, 12 days of paid sick leave, and 10 days of vacation annually. Full-time employees have their choice of HMO or PPO medical coverage, dental, and an optional vision coverage plan. The Village pays 80% of the insurance premium, with the remainder paid by the employee. Employees are also enrolled in a Life Insurance and AD&D policy providing \$50,000 in coverage, paid entirely by the Village. Full-time employees are required to participate in IMRF, a defined pension plan. Employees are also given the option to participate in our 457 retirement savings plan, flex spending plan, and/or additional life insurance coverage.
