Burlington, IA 52601

Dear Steve,

Fort Madison SIRRC has met and voted to reappoint myself as well as making the recommendation to appoint Chuck Kempker and Justin Pieper to fill the vacancies on the Southeast Iowa Regional River Boat Commission Board. Should you have any concerns or comments, please don't hesitate to contact me.

These members being recommended have been a part of the Fort Madison SIRRC and have worked very hard to maintain a grant program to distribute these funds to worthy projects in the Fort Madison area. Through the years we have awarded over \$4.5 million to building up the Fort Madison and north Lee County area. Fort Madison SIRRC is very proud of our contributions to the betterment of our communities and we look forward to continuing this effort.

Sincerely,

Steven Link
President, Fort Madison SIRRC
