### 2017 FULL-TIME TESTING PROCESS

The full-time testing for Firefighter/Paramedics will be taking place in the fall of 2017 (dates have yet to be determined). We will be testing along with Frankfort FPD, Manhattan FPD and New Lenox FPD. The applicants will fill out the application online, pay online and will take the written test, all through the company of IO Solutions. The total cost per applicant will be \$60. This does not increase if applying for more than one District. The assignment of preference points will be the same as in the past.

After that is completed, each Department will conduct their own interviews.

The Board of Fire Commissioners is in agreement with the above process. They are also in agreement in having the oral interviews in 10 minute intervals.
