Oh the memories of this place!
Where we should be this time of year.

President Carl Neely

Greetings Everyone,

Well, another month has come and gone and we are going to have **to cancel our April party due to concerns for Covid 19 again.** What a bummer! But the number of folks getting their shots continues to rise and the number of cases seems to be becoming less and less. Hopefully sometime soon we can get things back on track. We still may have to make some adjustments as to how we do things but I think our lives will continue to improve.

As we move to get our party times back on schedule, we have a several issues to consider. First, we must all strive to make all members feel safe and comfortable in our club environment. If you or someone else feels best in wearing a mask, social distancing or fist bumps instead of hugs so be it. Some of the other clubs are starting out with **members only parties** until more folks have the vaccine. **I and the rest of the board / officers would be interested in hearing everyone's thoughts on this.**

One of the most important things we will need to understand is when we can start our parties again, we will be going thru a rebuilding process. This terrible virus has changed all our lives forever and not for the better! We will get to a new normal but it won't happen overnight. We as YSC members must understand and respect the fact the virus has affected each member differently.

As we are all well aware April SOS has been cancelled. However, the **plans (as of now) for the June 19th thru June 26th Spring Safari are still in place.** This may be a tough time for some folks to be able to change their vacation plans but I am sure this will be a rather large occasion! Your current 2020 SOS Card are still valid until December 31, 2021.

In the meantime, the club officers and the committee members will start making plans for the YSC 30th Anniversary party. The party will be held at Spring Lake Country Club on August the 5th from 7:00 until 11:00 PM. Ideas and suggestions for the party are welcome. This will be a memorable one-time only event for our club.

Many of our members have had some medical events and have lost loved ones in the past month or so. Let's keep them in our thoughts and prayers.

A Preacher Joke:

A small country church got a new preacher because the old preacher fell down, broke his hip, got sick and had to retire. The congregation loved the new preacher. He was young and handsome and could really preach up a storm. The church women were ready to swoon whenever they were around him. Everything was going great. When summer came the grass started growing, so the new preacher called the local lawn service to come mow the grass. After a couple of months of bills for the lawn service, the board of deacons went to the new preacher and said "we are a small country church and we just can't afford a lawn service" The board told the new preacher that grass mowing was part of the preacher's duties. They explained to the new preacher that the old preacher used to mow the grass every week. The new preacher said "I know he did but, when I asked him, he told me he just was not able to push the mower anymore with his broke hip"!

Well time to tell Jeannie to get in the truck.

Carl
