This is a free one hour class by Dr. Allison Stiles, Pediatrician and Chair of the Shelby County Breastfeeding Coalition. This awesome and intimate class covers everything from the benefits of breastfeeding to pumping. We talk about what to do when your baby is born and what to expect. We learn how to know that the baby is getting enough milk. We talk about problem solving for pain, flat nipples, low milk supply, and going back to work. We discuss the laws in TN that protect your rights to breastfeed and pump at work. Classes are usually small so we can talk about whatever you would like!

No advanced registration required.
