Let's get started.

- **Please print the Authorization Letter on your company letterhead. Sing and return to ProWasteUSA, along with a list of your properties and a copy of the most recent hauler invoice. This allows us to contact your existing haulers for information pertaining to your accounts.**
- **e-mail the information to: customerservice@ProWasteUSA.com**
- **Allow us time to review the information and provide you with a cost savings solution. With your approval, we will implement our program.**

Notice of Authorization

Dear Service Provider:

This letter is to inform you that our firm has retained ProWasteUSA, as its authorized agent and consultant, to review and manage our solid waste & recycling services and make changes as necessary. Please direct all future correspondence to:

ProWasteUSA
P.O. Box 1528
Englewood, Florida 34295
Phone: 941.993.8253

Do not terminate or make any changes to the service at this time. However, we do not wish to automatically renew any contractual obligations that may exist between our firms and request any such valid agreement(s) be cancelled at the expiration of their current term. If a valid agreement(s) should exist, we ask that you send our Agent a copy of the front and back within 10 days of your receipt of this notification.

We also ask you to provide our agent a copy of the most recent invoice for all services and the corresponding service level detail.

Please be aware that should you fail to provide this information within the requested time frame we have directed ProWasteUSA to assume that no such written agreement exists between our firms and to proceed making the necessary changes.

We anticipate and appreciate your cooperation on this matter.

Sincerely,
