

Exploring Creation with Chemistry and Physics

Teacher: Kiesha Russell

Grades 1-6

Monday 9:00-9:55

Yearly cost: \$160

Curriculum used for the class:

1. Apologia's Young Explores Series: Exploring Creation with Chemistry and Physics
2. Real Science 4 Kids: Chemistry Level 1
Physics Level 1

The objective of this class is to introduce students to Chemistry and Physics. The basics of matter and energy will be covered. The class includes various hands on demonstrations, experiments, and exciting activities to help students retain the information presented. The class will be taught from a christian perspective. For more information about the specifics of the text, go to apologia.com. The text is listed under the Young Explorer Series.

This will be a graded class. Grades 3-6 will have written tests. Grades 1-2 will take a modified test that I will read aloud.

*Due to the nature of this class, there will be a \$15 materials fee each semester. This covers all demonstrations, experiments, and printables.
