

APPLICATION FOR DRIVEWAY

I, _____ owner/owner's agent
of property described as Lot _____, Block _____, Plan _____
located at _____ intend to construct a driveway at the
aforementioned location and hereby make application for construction in accordance with Town
policy.

- (a) The Town of Kamsack will remove and haul away all rubble and concrete from the existing sidewalk for the width of the proposed driveway plus two feet on either side.
- (b) I hereby agree to complete the excavation and construct the driveway from concrete on a slope that should not exceed 1" per foot on the sidewalk portion of the driveway.
- (c) Where, in the opinion of the Town of Kamsack, additional sidewalk (in excess of that mentioned in (a) above) must be removed to provide this slope requirement, the Town will reimburse the property owner for the removal of the said existing excess sidewalk and for the additional concrete required, and its placement at a rate of \$3.00 per square foot for 1983.
- (d) All work in regards to re-construction of the sidewalk and construction of the driveway must be completed within 6 months from the date of approval by the Town Council of the Town of Kamsack. Any sidewalk not re-constructed within this time period will be done so by the Town of Kamsack and the costs for such replacement will be added to and form and part of the taxes on the aforementioned location property.

Town Policy as stated above is agreed to this ____ day of _____, 2008.
