May 2019

Dear SBOC Members and Colleagues:

What a busy time of year for our industry. Now if it can just stop raining!

Thank you for all that attended our Hi rack storage luncheon seminar. It was very informative and a packed house! A big thanks to Jerry Schultz for his exceptional presentation. We had a lot of members attend however, we had 8-10 people that did not show up and responded/RSVP'd that they would attend. Please note that we close these luncheons and turn away members if we reach capacity. If you have responded "Yes" to the monthly luncheons and realize that you cannot attend, please let go back into your CVENT confirmation e-mail and cancel, this will allow another member to attend. We understand that last minute emergencies occur however, if you know in advance, we just ask that you are considerate of others.

Should you have any thoughts for a monthly training session feel free in contacting any of the Board members? Again, SBOC is always looking for volunteers so please considerate getting involved!

We are having our next monthly meeting on May 16, 2019
