

WI Veterans of Foreign Wars Auxiliary

Lillian Campbell Medical Scholarships 2020-2021

December 2020/January 2021

My fellow Auxiliary sisters and brothers, thank you for all the contribution's you-all have made to this scholarship. Please spread the word to everyone about this wonderful opportunity to get assistance in various medical fields of study, applications due April 1, 2021.

The Lillian Campbell Medical scholarship was started to honor our Wisconsin Auxiliary member, Lillian Campbell, who went on to become our National President during the Golden Anniversary year of 1963-1964. Sadly, Lillian passed away at the wonderous age of 98 on May 26, 1996 at her home in Appleton, Wisconsin. Funds raised for this scholarship allow us to give out multiple scholarships of \$1,000 to applicants currently enrolled in a medical field. Examples of eligible student programs are: Nursing, pharmacist, physician assistants, medical and surgical technicians, physical and occupational therapists, dental, radiology and several other related medical professions. First year medical students for EMT or Paramedic students are also encouraged to apply for a \$750.00 scholarship.

Increasing funds for this project enhances our ability to aid more students. We can be helping our VFW family members pursue their dreams in medical fields for the benefit of all society.

All Auxiliary members and District Chairmen can read the full details of the rules and regulations on our website (www.wivfwaux.org), on ones that I have handed out and will put in future bulletins. Please make sure this information is shared with all Auxiliaries during meetings this fall. With your help, we can pay it forward and help many students in their endeavor to pursue their careers.

Together we can have a record-breaking year of awarding our future medical professionals. We will "Soar Like an Eagle for Veterans" as we continue to support our Lillian Campbell Scholarships.

Thank you,

Donna L. Butler, Dept. Scholarship Chair 2020-2021
