Commencement Exercises

ROSEDALE JUNIOR HIGH SCHOOL

Class of

1933

ROSEDALE HIGH SCHOOL AUDITORIUM

THURSDAY EVENING, MAY TWENTY-FIFTH

EIGHT-FIFTEEN O'CLOCK

PROGRAM

MODERN social organization has brought about many changes from the accepted ways of our fathers. Small wonder that, with new ways of living and new ways of earning a living developing so rapidly, it has been found necessary to formulate new educational methods and even new types of schools. Nowhere was the need for a new school more necessary than for boys and girls in the early "teen" age. Kansas City, Kansas, has always been a leading city in the development of the junior high school.

It is impossible in a short time to give a comprehensive survey of all the activities, academic, extra-curricular, and character training, that are maintained. However, the evening's program attempts to give some idea of the work of a few departments. Those to be represented, in order as they appear, are home economics, foreign language, mathematics, English, music, and industrial arts.

The invocation and benediction will be given by Reverend M. H. Young of the Rosedale Baptist Church. During the program the following musical numbers will be presented:

Cornet solo—Twilight Dreams - - - - - Clark

ROBERT BRIDGES

Violin solo—The Bluebells of Scotland - - - Farmer

FRANK LARSON

Chorus—(a) By Bendemeer's Stream - - - - Moore

(b) Hark! Hark, the Lark - - - - Schubert

GIRLS

Because of the large number of participants, it is impossible to print the names of other graduates who will appear during the evening.

Following the program the diplomas will be presented to the members of the class by Mr. Frank Rushton, president of the board of education. The audience is asked to refrain from applause at this time until all diplomas have been presented.
