**Community Thanksgiving Service:** Sunday November 19, 6:00 pm at Pathway Baptist Church in Calvert City. A great opportunity for our us to offer God a return of thanks with others for the blessings of our community.

**FOOD DRIVE**  
 The past few years we have collected canned goods and other non-perishable food items during the holiday season. We have donated those to Marcella's Kitchen located here in Marshall County. Marcella's Kitchen runs solely on donations. With the recent burglaries there, they need our help this year more than ever. Please bring items and place them in the foyer of church. We will be delivering these items before Thanksgiving so please have them to church by November 18. Thank you for your generosity!

**Angel Tree:** The Angel Tree is now on display. To help the Calvert Sharpe Family Resource Center give Christmas gifts to area families in need, our parish will be buying clothes to be included in these gifts. Donation envelopes are near the Angel Tree. Parishioners may place their donations in the Donation Box or place the donation envelope in the basket during the Mass Collection. Thank you for your generosity!

**Public Notice of Past Gift to Parish:** Recently it was brought to my attention that back in 1990, Mr David & Louise O'Connell donated two cemetery mausoleum plots at Woodlawn Memorial Cemetery in Paducah to St Pius. Fr Aloysius Powers received them, and decided to just hold on to them for future need or use. Records were sent to & kept on file in Owensboro. The parish council's next meeting will discuss whether any change is called for in handling/holding them. If any parishioner remembers the O'Connell's or has any history from the 1990's, I would love to know more about the family and any understanding they had about the plots use. Please let me or Pam Hurst, our Parish Council Chair, know.

**Community Veterans Lunch:** November 9, from 11:00-1:00, at First Baptist Church in Calvert City, the ministerial group is hosting the annual Veterans Appreciation Lunch. Veterans eat free, and the benefit of sales goes to the Wounded Warrior Project. Come show recognition and appreciation of our country's veterans! Tickets are on sale after Mass or call the parish office.

Dear Parish Family,  
 All are invited to our 50th Wedding Anniversary party on Saturday, Nov. 17th. It will be between 2:00pm - 4:00pm in the Parish Hall. Come share "well wishes" and memories of our last 25 years here at St. Pius X Parish.  
 - Dave & Vicki Spencer

# FROM THE PASTOR

November 4, 2018  
 Thirty-First Sunday in Ordinary Time  
 Mark 12:28b-34

Dear St. Pius X and St. Anthony Church Family,

**Were Ten Commandments too many to remember?** Well, God did have to **write them down** for Moses to remember them according to Exodus 24:12 "I, the Lord, will give you the stone tablets on which **I have written** the commandments." However, according to Jewish Tradition, over time in order to follow the Great Ten Commandments properly, a more detailed subsection of 'by-laws' were needed that added an **extra 603 laws**. Some rabbis suggested that Moses wrote all of the laws down with **interpretive notes**, which is described in Exodus 24:4 when "Moses then, wrote down **all the words** of the LORD." So, God wrote ten (in stone), then Moses wrote an additional 603 laws to guide the faithful following of the first ten. Is it getting complicated? Exactly! So Jesus came and summarized the Law of God to be simply, 'Love God with everything you've got' and 'Treat your neighbor just the same as yourself' (Mark 12:29-30). Ten are not too many to remember, but by distilling the law down to two commands, Jesus is giving the measure for whether God's law is being followed or not. The prime measure of our conduct results from simply answering this question, "Is what I am about to do, or say, a good reflection of the God I serve, **and** a good reflection of who I am?" Is God revered by my actions? Is my neighbor who is created in God's image, honored by my words and conduct?

We hear so much about law written in stone. How we visualize something in our mind, already **sets up** our understanding of it in a certain way. So here is an experiment: Draw a picture for me in your mind of the actual Ten Commandments engraved on stone. For example, are there two stone tablets, or just one large tablet? Is writing on the front **and** back? Are the stones squared or rounded on the top? Smooth or rough around the edges? Are there any Headings? How about numbering? Is there any capitalization or underlining? Again, how we visualize the stone tablets matters. This is worth thinking about when we consider all the energy spent on designing monuments and pictures of the Ten Commandments put up and posted everywhere on billboards and walls. (Somebody once challenged me to consider why we Christians don't fight just as much for the Actual **WORDS of JESUS** to be posted, too?)

A lot of ink of has been spilled or a lot of stone has been scratched over whether there were **two** stone tablets, or whether it was **two** sides of one tablet. God's own word says in Exodus 32:15 "Moses came down the mountain with the **two tablets** of the covenant in his hands, tablets that were written on **both sides**, front and back." (So is it, two surfaces, or two stones-2 pages or 4 pages?) We know Moses needed both hands to carry the commandments. Stone is durable, but it is heavy, too. Another quote, Exodus 17:12, says Moses one time needed help holding his hands up, with Aaron and Hur helping, by holding his hands up in battle. SO, did Moses hold two heavy stones requiring both hands, one in each hand? Or did he use two hands to be able to readily flip one stone with two sides over, to reveal the additional writing on the other side? I bet you are asking, "**What does any of this have to do with Jesus?**" Well, Jesus' answer to the scribe in the gospel today is basically that the Great Commandment of God's Law is **two-fold** and **both elements hang together as one**. They are **hinged** if two tablets! Or they are **flip sides** of same stone if one tablet. The great commandment is Love of God **AND** Neighbor. A person cannot love God without also loving what God has created in His image, and when a person truly loves another human being, God is being honored as that person's maker. So, Jesus is revealing the one intention of God behind all good law: that 1) God be honored, and that 2) all God has made must be respected. While it may seem there are two sets of laws, they both really amount to only one in practice. Paul says, "The whole law is fulfilled in one statement, namely, "You shall love your neighbor as yourself" (Galatians 5:14). Keep in mind this whole set-up was a test! Mark 12:28 says Jesus is **answering within a 'dispute'**. Matthew 22:35 goes so far as to say "one of the scholars of the law **tested Jesus** by asking...". So Jesus is taking a test, and I learned as a kid that *you have to look at the back of the test page, flipping the sheet over and answering questions on the back, too. Or else you fail!* So Jesus is saying, that while on one hand we are commanded 'To Love God', this also means on the other hand we are to 'To Love Our Neighbor'. Both laws are flip sides of the same command. A person doesn't fulfill one of them without simultaneously fulfilling the other. Jesus is **holding together** the whole Law of Moses-"Love God and Neighbor"!

Peace and Prayers,  
 Fr. Brian
