MISS SARA'S SECTION - "Hello! We have been talking about Arctic Animals and how they keep warm. We put our hands in a blubber glove and then dipped our hands into ice water. We are very excited to welcome a new friend to our classroom. Today we are making ice cream in a bag! We can't wait to tell you all about it! Thank you for everything you all do."

ANIMAL OF THE WEEK - Beginning next week we will be doing *Animal of the Week* posters. Your child will be sent home with poster board for them to create a display of his/her FAVORITE animal. It may be domestic or wild, their pet, a pet they would like to have, etc....let them use their imagination! Your child will tell his/her class about their animal poster and it will be displayed for the week. Please help your child to know what that animal likes to eat, where they live and anything else they would like to share about this animal.

VALENTINE'S DAY PARTIES - They will be on Tuesday, February 14th. The morning class will begin their party at 10am, the afternoon and full day class will begin their parties at 2:30pm. If you send valentines for your child to give out, please bring enough cards for everyone in his/her class. The morning class will need to bring 15 valentines, the afternoon class will need to bring 9 valentines, and the full day class will need 18 valentines for their classmates & teachers. **Please have your child write their name by the "from" line on their valentines. Please leave the "to" line BLANK. This way your child may walk around and put one card in each classmate's bag and not have to ask who to whom that card belongs.** If you would like to bring snacks/treats or help, there is a sign-up sheet on ParentSquare. If you need help accessing this, please let Michele know. Parents are welcome to attend! If your child does not normally attend school on Tuesday's, you may bring your child to the party and stay with them through the festivities!

2023/24 Preschool Registration - We have begun registration for the 23/24 year preschool year. Registration for UPK Colorado is online at upk.colorado.gov. Once you have registered here, please fill out our enrollment paperwork and turn it asap. Those forms can be found on top of the cubbies at the preschool. If you have any questions, please come see Michele.

DENTAL SCREENINGS - Yay! We are so excited to be able to offer FREE dental screenings again! They will be on Thursday, February 2. We have your permission forms on file but if you think something has changed since you filled them out last fall, please reach out to Michele. If your child does not normally attend on Thursdays and you would like to have them screened, please see Michele for times you may bring them in to participate.
