BISHOP'S LETTER FOR THE PEOPLE OF THE PARISH

Dear Brothers and Sisters in Peterborough Diocese,

Pope Francis often writes of the elderly with great affection and gratitude. He recognizes their important role in the Christian community and affirms them as the roots and memory of a people. In an address last August, he stated, "We must counter the harmful throw-away culture that marginalizes the elderly... the future of a people requires the encounter between young and old: the young people are the vitality of a people 'on the way,' and the elderly reinforce this vitality with memory and wisdom."

These words of the Holy Father ring true as we prepare for our annual collection for the Diocese of Peterborough Priest Benefit Fund. Our veteran priests served the needs of people and parishes over many years, and many of them continue to serve as they can, even in retirement. Some priests, who contend with greater health challenges, still offer the ministry of prayer and encouragement. All of them remain an important part of our community, blessing us with their gifts of wisdom, memory and prayerfulness.

The annual parish collection is a primary way for us to ensure that our Priest Benefit Fund remains healthy and sound, able to meet the needs of our elderly clergy. Your ongoing generosity will ensure that our senior priests are well-cared for now and in the future. We all have memories of a priest or priests who served us with special kindness and loving concern. Let us be sure to translate those fond memories into meaningful deeds, caring for our priests in their retirement.

Our annual appeal for the Priest Benefit Fund will take place from June 2 to 17, 2018. Your generous contribution to that appeal is greatly appreciated, and it is a sign of your gratitude and affection for our senior priests, who remain such a vital part of our community of faith.

Yours in Christ,

† **Most Reverend Daniel J. Miehms, D.D.**
 Bishop of Peterborough
