Attend with confidence

Ring 43 is most selective about whom it chooses to lecture for its Members and Guests.

About the Lecturer

David Regal is a television writer and a creator of effects for magicians. He is currently the Executive Magic Producer on *The Carbonaro Effect*. He has served as head writer for Nickelodeon's *Rugrats*, and has written for many sitcoms, including multiple episodes for *Everybody Loves Raymond*. David Regal is just plain smart about his magic. His books, *Close Up & Personal*, *Constant Fooling*, and *Approaching Magic* have received rave reviews, and he will have a new book out in September. He has released many effects such as *Sudden Deck*, *Disposable Deck*, *Clarity Box* and many, many more. David has won a Creative Fellowship from the Academy of Magical Arts as well as Lecturer of the year.

What You Will Learn

David has just released a NEW BOOK, *Interpreting Magic*, weighing in at over 500 pages features over 60 routines for close-up and stage plus over 30 interviews from Simon Aronson, Teller, Tamariz, Lance Burton and many, many more.

The lecture will feature effects from the new book, plus maybe a few classics and some surprises.

David's lectures always feature a ton of practical effects with great presentations.

What People Are Saying

"David Regal understand more than magic, he understands the moment" – David Copperfield

"The is no one else on earth better suited for thinking about and creating works of magic." – Michael Carbonaro

"Interpreting Magic is outstanding and I look forward to returning to it again and again." – Joshua Jay

"This book offers a wealth of wonderful ideas that will ignite your passion of magic and put you to work."
– Asi Wind
