## NDHA HEIFER FUTURITY

**Kaleb Neshem, Berthold, N.D.**  
**2018 Champion North Star Classic Comeback Futurity**  
 Heifer "TTFL 1322 338 Belle 1810"

**Billy Kunz, New Salem, N.D.**  
**2018 Reserve Champion North Star Classic Comeback**  
 Futurity Heifer "TTFL 1303 338 Red Lady 1830"

Heifer calves purchased in the NSC Hereford Sale are eligible to compete in a futurity comeback show at the Junior Hereford Field Day to be held during the ND State Fair, Minot, ND or the Great Plains Junior Hereford Show held during the Red River Valley Fair in West Fargo, ND.

Each consignor will contribute \$20 per heifer consigned in this sale along with each junior who intends to compete in either of these two shows. The money will be split and paid out according to how many show in either of these two shows. Also, the association has agreed to pay all ND addressed juniors \$20 per head at these two shows when leaving the ring.

The NDHA sponsors Hereford steer premiums each year at the ND Junior Hereford field day held during the ND State Fair in Minot, ND and at the Great Plains Regional Junior Hereford Show held in July during the Red River Valley Fair, West Fargo, ND.

The NDHA will pay \$200 for champion and \$100 for reserve champion steers for the NDJHA field day event. They must be from a registered sire and dam with the AHA.

The Great Plains Junior Hereford Show pays as follows:

- Grand Champion Market Steer Award & \$157.50
- Reserve Grand Champion Market Steer Award & \$78.75
- Breeder of Champion Steer Award & \$78.75
- Breeder of Reserve Champion Steer Award & \$15.75

There is also a junior show featuring a Hereford steer show during the Midwest Classic Jr. Hereford Show in Pipestone, MN in June 2020.

**2020 JUNIOR  
 NAT'L HEREFORD EXPO  
 TO BE HELD  
 JULY 11-18, 2020 AT THE  
 KENTUCKY EXPO CENTER  
 LOUISVILLE, KY**

# HEREFORD JUNIOR GRANT PROGRAM

The North Dakota Hereford Association has set up a grant program for juniors who apply and are selected for the grants. The grant money of \$250 is to be used toward the purchase of a Hereford animal from the 2019 NSC Hereford Sale. The grant is not transferable and does not carry over to the next year. There will be three \$250 grants awarded.

## ELIGIBILITY REQUIREMENTS:

1. Current Member of the ND Junior Hereford Association. *(Annual membership fee of \$10 may be sent with the grant application.)*
2. As of January 1, 2019 applicant must be at least 8 years old and not older than 21.
3. Must be able to provide at least equal to or greater than the amount of the grant purchase the Hereford animal.
4. Must purchase a Hereford from the NSC Hereford Sale to be held December 7, 2019 at the ND Winter Show Building in Valley City, ND.
5. Recipient of the grant must be present at the sale in order to use the grant.
6. Recipient agrees to abide by the rules of the Futurity Show and the 4-H code of ethics.

### **KLEIN FAMILY MEMORIAL**

*Given by  
Bruce & Cody Klein  
and Pat Weber*

Awarding one applicant  
\$500 to be used  
to purchase a heifer  
out of this sale.

### **ANDREW DOSCH MEMORIAL**

*Given by  
Larry & Richard Tinjum*

Awarding one applicant  
\$500 to be used  
to purchase a heifer  
out of this sale.

This is a heifer that is long bodied, deep ribbed, very feminine and clean fronted. Her dam is a first calf two year old that has done a super job with her daughter. 962 has a quiet disposition and should make an excellent prospect for the show ring as well as the cow herd when she matures.

This heifer is plain good - she will show, and better yet, be a great productive female. Her sire "Bottom Line" was sold in Topp's 2018 Production Sale to Wooden Shoe Farms in ID for \$25,000. This bull is one of the highest indexing EPD bulls in the Hereford breed. We have 3 heifer calves sired by him and are offering you one of them. Her maternal line goes back to the great "Jane" family that has given us so many great females.

This heifer is sired by Topp Hereford's 2018 High Selling Bull "TH Frontier 174E." Her dam side goes back once again to our productive "Jane" cow family. Take a look at her EPD's - she is a total package deal. You will find "Red Baron" in the majority of our NSC consignment. He has been such a great sire for us. He makes them dark in color, pretty to look at, beautiful uddered and easy keepers. Our bull customers keep telling us how happy they are with his sons as well.

This has been the most popular show heifer prospect (doesn't hurt that she is sired by Dakichi's popular TH400U 32X Trump 206Z). She is easy to look at, dark in color, big bodied and fancy. Her maternal line goes back to the famous Mirada cow family from Pellon/Spie Butte Ranch. Add some About Time and Red Baron and this is what you get. I think you will like what you see.

Here is another Trump sired heifer calf. This fancy female's dam is a cow we purchased out of the Hoffman Ranch, NE tail production sale several years ago. More proven lines in this pedigree - 719T and M326. We had sold her first calf in a past NSC sale to the Donnelly Family, MN, where the calf was reserve champion steer at the MN State Fair a few years back.

The natural calf out of our newest cow in the donor pen, Nords Tara, who was Champion Hereford in the Open and Junior show here at the 2018 North Star Classic. Her first progeny to hit the ground did not disappoint in this heifer calf. Super long and extended in her front third, lots of shape and smooth in her muscle pattern with tons of body and rib expansion while still being elegant when set in motion with a unique profile. Retaining the right to flush at the buyer's convenience and seller's expense.

This polled female is 1 of 4 full sibs born this past spring out of our donor BCC Tiffany. This mating has sure proven itself successful with this huge-boned, easy-fleshing, eye-appealing female that puts it together in a well-balanced, powerful, yet soft made package. She will make an extremely powerful cow after her show career is over. Retaining the right to a flush at the buyer's convenience and seller's expense.

Here is another female out of our "Jane" family. She is a bit greener at this time but we are confident she will catch the rest by next summer's show season. Her sire is a lower birth weight sire we purchased from Darrel Rupprecht a few years ago, who goes back to the high selling Playmaker 14Z bull in Topp's Production Sale several years ago.

This March heifer is sired by the popular American Made bull, and her mother is a first calf heifer sired by ECR Chosen One. I have felt all summer that this is one of the best show prospects we had. She has style to burn and will make a great cow when she is done showing. Dehorned.

This Catapult 322 daughter comes from a cow family that has given us some beautiful, productive females. Dam 1625 was our lead heifer in our 2017 pen of heifers at the NWSS in Denver. She is as deep bodied and broody as they come. She comes from the same cow family as our Lot 2 heifer calf. We wanted to consign an exceptional one out of our keeper pen. She was ultra sounded Aug. 18, 2019 and her estimated due date is March 13 with a bull calf sired by one of our favorite bulls we kept back for breeding heifers - TTFL 1519 778C Playmaker 1829 (P43959752).

BW 73 lbs. 822F is a modern framed, easy keeping female that is double bred calving ease. Her dam is a cow we purchased from Sealelds and her sire is a 3027 son from the NJW program and has left us an excellent set of daughters who have averaged 103.5 on 56 calves. She is sale in AI to Behm 100W Cuda 504C with an unsexed March 10, 2020 cal. Cuda calves have been well received around the country and he continues to impress us with his ability to sire light birthweight calves that grow and have excellent phenotype.

This Playmaker daughter x Red Baron has great things to offer. She is a young heifer that was one of the first heifers to breed up. She was ultra sounded Aug. 18, 2019 and is sale with a bull calf - Afd to TH Frontier 174E (Topps high selling bull in their 2019 production sale) with estimated due date of Feb. 22. We have 2019 calves out of this bull - low birth weight calves that grow and gain like crazy.

A top notch, productive cow with very good udder quality and super parenting! Dam had 105 WWR on 8 and granddam was a Dam of Distinction with 107.4 on 9 calves. Her only bull was one we used in our herd and she has one of our best heifer calves again this year! Serviced to OHR MDK Dakitch Deluxe Z14 80E from 6/10/19 to 6/20/19. Ultrasounded pregnant 28 days on July 24. View video at [www.olsonredpower.com](http://www.olsonredpower.com).

Well-built, good-utteder granddaughter of National Calf Champion Polled Solution. Her first calf was a heifer by Caretaker selling to Boundary Stone Ranch in Texas. She is in the top 5% of breed for CHB and top 8% for REA and Fat. Exposed to Dakotach MADK Caretaker 51B from 6/08/19 to 8/21/19. Ultrasounded 28 days pregnant on July 24. Caretaker daughters in production have a 106 WWR and Caretaker's mother had a 107 WWR on 8 calves! This young cow is in the prime of her life and mated the right way to produce another good one! View video at [www.olsredpower.com](http://www.olsredpower.com).

A very complete 2 year old whose first calf is in our pen of bulls for sale! She is sired by Sheyenne, a Select Sires bull whose daughters are raising 102% in production. Two Sheyenne bulls topped our Red Power sale in 2018. Her daughter dam is a great utteder daughter of Beyond, Canada's Supreme Champion Bull. She is still producing at 10 years old with a production ratio of 102.4! Serviced to OHR MDK Dakitch Deluxe 214 80E on 6/02/19. Ultrasound confirms safe to that date - 47 days pregnant on July 24. View video at [www.olsredpower.com](http://www.olsredpower.com).

UPS Sensation 2296 is one of the most popular sires of the Hereford breed. Not only has he sired multiple champions, but most importantly produces functional cattle that will improve anyone's herd. Pendleton 323G has that functionality yet possesses the eye appeal to produce one-of-a-kind calves. Don't miss this opportunity to own genetics that will improve your herd!
