

How'd we do?

We at CMSS would like to thank our community for a wonderful year of lessons and classes!

We invite you to please take 20 minutes to tell us how you think it went, and we'll send you a CMSS cell phone wallet as a thank-you.

Your opinion matters, and we'll use your responses to help us continue to offer the quality music instruction and community support you have come to expect from CMSS.

The last few months of this school year shaped up in a way no one could have expected, but you rose to the challenge. Huge shout-out to our students and families who joined us on our new remote lessons adventure and remained patient and flexible throughout the spring, and to our incredible faculty who enthusiastically pivoted to deliver high quality remote music lessons to our students.

It was so fun to celebrate your musical accomplishments at the [virtual perform-a-thon](#) last week!

For those of you who didn't try remote lessons with us in the spring, we see you, we love you, and you're still valued members of our community. We invite you to fill out our [online survey](#), and we look forward to making music with you again soon.

We'll be communicating our plan for Fall 2020 at the beginning of July. Please keep an eye out for an email then!

Spend Your Summer with CMSS

If you're looking for some enriching, creative summer plans, we'd like to invite you to make music with us!

CMSS is offering high-quality private and semi-private music lessons all summer.

Summer lessons will be remote (virtual), enrolling online is easy, and scheduling is flexible.
