- Community feedback

STREET TRANSPORTATION DEPARTMENT

Colter Street Pedestrian and Bicycle Improvements Project

(15th Avenue to 20th Street)

Scope of Work

To improve the safety, connectivity, and comfort of people walking and riding bicycles along Colter Street between 15th Avenue and 20th Street.

It will accomplish this by constructing pedestrian, bicycle, and traffic calming facilities, and signalization as approved by residents during the public outreach effort.

Project Area

Segments

Colter Street: 15th Avenue to 7th Street

Colter Street: 7th Street to 20th Street

Project Timeline

- Planning / Study (completed 2021)
- Design Development (Winter 2023 - Summer 2024)
- Public Outreach (Fall 2023 / Spring 2024)
- Construction (Summer 2024 – Fall 2025)
