We offer several methods of payment for your Chiropractic care at our office and you may choose the plan which best suit your needs. Please read carefully and choose the plans that apply to you. If special arrangements are necessary please consult with our front desk or the doctor. Our main concern is your health and well being, and we will do our best to help you.

Medical Insurance - If you have insurance which covers Chiropractic care, we will bill your insurance directly. Please bring us an insurance claim form, on or before your 2nd visit, with your portion completed: Until we have the completed necessary information to verify your insurance coverage, you will be required to pay for your care. In the event the insurance check should come to you, you are expected to bring the check to us immediately.

Cash - Fees are to be paid at time services are rendered.

Work Injury - You need to report your accident to your employer, bring in necessary insurance information, and sign industrial forms for billing by the second visit. We will bill your insurance directly. Unless we have all your information you will be required to pay cash.

Auto Injury - You need to supply us with the claim number given to you by insurance agent, their contact information, their mailing address and all attorney information if applicable. Until all insurance information is gathered and verified for chiropractic care, you will be required to pay for your care. We will bill your insurance directly after verification of coverage. In the event the check should come to you, you are expected to bring the check to us. This is an irrevocable assignment of interest of funds and it is expected that any balances be paid in full.
