**Get Involved - You Can Make a Difference!** Saline Area Senior Center (SASC) volunteers provide thousands of hours of service each year. There are a variety of volunteer opportunities available for you or your group to assist with and make our center an even greater place. Volunteering offers many positive advantages for you too, such as connecting with your community, learning new skills, meeting new people, sharing your knowledge with others, being a role model and increasing your health. It is important to us that you find your volunteer experience interesting and rewarding.

It's simple. 1) Review the opportunities below. 2) Complete the volunteer application. 3) Read the Volunteer Background Check process and complete the background release form. 4) Submit the application and background check form to SASC. 5) Once processed, an SASC team member will contact you to discuss your interests and provide you with specific volunteer dates and times available.
