# *President's Message*

Hello and welcome back to Ohio and the 2021 Regional/National Specialty. I hope you all are prepared for a fun filled week. Please follow all the regulations that are in place for your safety.

Thank you very much to the Show Chair, Pam Helmer; Assistant Chair, Sue Smyth and their committee for all of their hard work to make this show happen. This year we get to have the Hunt with the show as well, since it is in April and not too hot for the dogs. I hope this show offers events for all to enjoy. We are trying to offer as many events as possible to meet the membership's interests, but that does make for a busy show. I am always exhausted but sad for it to end after the Specialty week.

The show could not happen without our membership participating and volunteering to help. Thank you for your time and participation it is greatly appreciated. Happy to be here and looking forward to a safe and successful show.

Susannah Cooper  
President, PBGVCA

### Nick Frost

#### National Breed/Junior Showmanship

I obtained my first PBGV in 1979, a very pretty female, Mistinguett at Dehra. Prior to that I had first seen them while working as kennel manager for an Afghan kennel in The Netherlands. I then joined forces with the Jomil kennel in the UK who had imported the first BGVs (as they were then known), managing their breeding program and also the Varon hounds who were kenneled there. I laid the foundation for many UK kennels before I left for the US in 1995. I also imported the first Grands into the UK in the late eighties and worked closely with the Varon Kennel in the promotion of the Basset

Fauve de Bretagne.

I have bred or owned just under 150 PBGV Champions worldwide. Numerous National and Specialty and BIS winners, both sides of the Atlantic. I judge the Hound and Sporting Group and Cavalier, my other heart breed!

Thank you for inviting me to judge. I judged my first American National Specialty in 1988, before they had full recognition. The first dog on the table was one I had bred and I had to measure him out. The second dog on the table was bred by the Sweeps judge (also from the UK) and I had to measure him out as well! The breed has come a long way since those days!

### Cheryl Hedge R.V.T., C.N.W.I.

#### National & Regional Scent Work

Cheryl is a Certified Nose Work Instructor with the National Association of Canine Scent Work, an AKC Scent Work Judge, a CPE Scent Sport Judge as well as a Registered Veterinary Technician. She has been teaching K9 Nose Work® classes for more than 8 years. Her students successfully compete in trials from NW1 and Novice levels through Elite and Detective in multiple organizations like AKC, UKC, NACSW, CPE and C-WAGS. She spends time at home with her husband, six dogs, and 2 cats when not teaching or judging at a trial.

## **Lindley Henson**

### **National Puppy & Veteran Sweepstakes**

My Fellow PBGV Enthusiasts -

I am honored to be chosen again to judge sweepstakes at the PBGVCA National. I started in dogs early, as my parents bred and showed Pembroke Welsh Corgis. In 1999, Denise Ross gave me my first PBGV, CH Afriel's Mona Lisa. Dogs I have bred

under the Levrier Nain prefix have titles in conformation, obedience, agility, fast cat, barn hunt, tracking and hunt. They have jobs as both live search and cadaver dogs. One even "owns" his own dive shop.

I am a 20+ year member of PBGVCA. I have served the club in many capacities – Show Chair (twice), Vice-President, and Regional Representative to name a few. I live in Phoenix, where I am the Show Chair for the Superstition Kennel Club and a member of the Desert Valley Dachshund Club.

I share my home with my wonderful husband, Larry, a couple of cats, Cam's retired junior's beagle, a standard longhair Dachshund, and a bunch of PBGV's. The twins many of you watched grow up are now out of the house and on their own. Cam is finishing his Masters in Environmental Science at the University of Arizona in May. He still shows, grooms flat-work terriers, and is planning on carrying on the Levrier Nain kennel. Morgan is at the University of Georgia working on his Masters in Landscape Architecture.

I am provisional for Junior Showmanship and am working on my application to judge PBGV's. I'm still teaching high school Latin. When I'm not in the classroom or with my dogs, I read, golf, and play bridge (I'm not as good as Nick, but who is?).

Again, thank you for entrusting me with your puppies.

## **Jeffrey Lentsch**

### **National 4-6 Month Puppy**

Thank you for the opportunity to judge the 4-6 Month Puppy Confirmation class at the PBGV Regional Specialty. This is an honor to be considered for this assignment and a privilege to see the next generation of young dogs and bitches entering the confirmation ring.

I have been breeding and exhibiting dogs

since the early 1990's. My initial breed was Pointers, which turned into Pointers and a PBGV shortly after that. In 1999 I was exposed to Rhodesian Ridgebacks, and that has been my breed ever since.

I was introduced to PBGV's through a good friend and developed an affection for the breed. Through this friendship I have become acquainted with many of the breeders in the North East U.S. and had the opportunity to learn a great deal about the breed from them. A fond memory that I have from my early days is when I attended the benched show, The National Dog Show, in Philadelphia and talking to many of the spectators

about the breed. Many people had never seen a PBGV and were very curious to learn about this dog with the tousled coat and happy, outgoing personality. Over the years I have had the opportunity to exhibit several different Petits, including completing the Championship on two of them. I have also held the position of Chief Course Builder for many years at the Fall Agility trial that the Mid-New Jersey PBGV Club holds. Over the years I have been very fortunate to have met many of the breeders and exhibitors in the North East region and always felt comfortable to be able to ask any question that I may have about the breed. I have been mentored my several of the long- term breeders and have judged PBGV sweepstakes in the past.

I am currently an approved AKC Judge and have bred and exhibited Rhodesian Ridgebacks for over 20 years under the kennel name Dimond Rhodesian Ridgebacks. I have bred and finished over 100 breed Champions in Conformation and participated in obedience, agility, and lure coursing.

## **Linda MacDonald**

### **National & Regional Obedience & Rally**

Linda and Michael MacDonald operate the HY-BAR Training Center in West Salem, Ohio.

For over 30 years, they have owned, trained and showed Obedience Champion titled dogs, competed at the National level and ranked several dogs in the AKC lifetime rating systems. They are not your average dog trainer. They are involved and have experience in Obedience, Rally, Agility, Retriever Field work and Herding.

They are both respected in the world of dogs and have both served on several AKC Advisory committees that periodically review and change obedience regulations and guidelines. Linda is an AKC obedience judge who has had the honor of judging at several national tournaments including the AKC Invitational. Besides obedience, Linda has titled both a 24- and 20-inch Master Agility Champion and both also qualified for the AKC Agility Nationals. Linda is also very involved in field work and hunt test with her Golden Retrievers. Two of their dogs, Sixpak and Sadie have been included in several books that highlight the breed's outstanding performers and outstanding sire and dam producers. Mike and Linda have earned over 125 Obedience titles, titled 5 AKC Obedience Trial Champions, earned over 7,500 OTCH points and close to 300 High in Trials. They have 21 National tournament top ten placements and also a Gaines Superdog title. Working with people to achieve the highest goals in the sport of dogs is their specialty. Their Students not only earn titles, they earn the highest and hardest titles. Several have made National obedience rankings. They are very proud of the accomplishments of all their students.

## **Ron McClelland**

### **Regional & National Agility**

Ron McClelland has been involved with dogs in some capacity or other for his entire life. When he was a child his family always had dogs as pets and family members. His became a part of the "Dog Fancy" in 1986 when he obtained his first "show dog" a Great Pyrenees. Not knowing entirely what he was getting into, Ron began training and showing his dogs in Obedience and Conformation. With a great desire to learn as much as possible about these dogs and the

world of dog shows, Ron became active in his local training club and, over the years, also joined the Heart of Ohio Great Pyrenees Club, the Great Pyrenees Club of America, the Buckeye Australian Shepherd Club, Australian Shepherd Club of America, and the United States Australian Shepherd Club. Through his years of service with these clubs Ron has served on the board of directors and as President of the HOGPC from 1992-95, and chairman of the Great Pyrenees Club of America Nation Specialty in 1995. Ron has also been an active member of Columbus All Breed Training Club since 1986. He has served as an instructor since 1992, on the Board of trustees and as President from 2007-2016. In 1994 Ron married into a family of Australian Shepherds and from there his horizons expanded into the world of Agility. Once bitten by the agility bug, Ron never turned back and he became active in showing and training and showing the Aussies.

## **Tim Ninnis**

### **Regional Puppy & Veteran Sweepstakes**

My wife, Mary Anne Brocius, and I have been active in purebred dogs for 35 years. We have shown, bred and owned over 100 Old English Sheepdog champions. We have always had a small, but successful breeding program. Our dogs have won several AKC Best in Shows, many groups and placements and we have had considerable success at the National Specialties over the years with Best of Breed, Winners Dog and Winners Bitch, Best of Winners, and Best of Opposite Sex. Health and temperament are two important factors in all the dogs we breed.

We acquired our first PBGV in 1993 – Ch. Elan Cartouche de Qubic "Nate". Nate was a National Specialty Winner and was the Number One Dog in 1995. He produced beautiful offspring and we enjoyed several litters of PBGV's with many of the pups becoming champions. I am sure judging the PBGV Sweepstakes will bring back fond memories of our years with the breed.

In addition to our activities with the dogs I am an avid collector of Classic Cars and compete with them at area car shows and cruises. I am retired from the auto industry and grew up in the Detroit area. Thus, my interest in anything automotive. My thanks to the PBGV Club of America and to the members that selected me to judge this prestigious event.

## **Robert Opeka**

### **Regional 4-6 Month Puppy**

I purchased my first Basset Hound in 1975, a line-bred show bitch. I still continue to breed and exhibit, 46 years later. I've had the good fortune to have finished over 150 champions, the majority were Breeder-Owner-Handled.

I started judging in 2000. I presently judge Basset Hounds and Dachshunds. I've judged the Basset Hound Nationals 3 times. I still continue to exhibit at the Nationals.

I attended the PBGV National in Charlotte NC in 2011. I also attended the judges' seminar. In 2014 I attended the AKC/DJAA PBGV seminar in Orlando.

In my personal life, I was an X-Ray Technician for 25 years and then a flight attendant for a major carrier for 20 years.

I thank you for inviting me to judge the 4-6 puppy classes.

## **Barbara Pepper**

### **Regional Breed/Junior Showmanship**

Barbara Pepper has been involved with Purebred dogs for much of her life, and Golden Retrievers since the 1960s. Her parents got a Golden as a companion for her youngest sister when Barbara was in college. She bought her first in 1968, and began showing in the early 1970's. Her first dogs were also taken through basic obedience. She has bred and finished numerous champions, including National Specialty, Independent Specialty, Group and Best in Show winners. She personally handled one of the first Golden Retriever Bitches to achieve GRCA Show Dog Hall of Fame status. Dogs she has bred were not only successful in the breed ring, but did well for their owners in performance events and in the field with active hunters.

In the early 1980's, an interest in PBGV was kindled and the first, a bitch bred by Anne Snellings (Oaktree), arrived at Pepperhill in 1984. Thus, began a journey that has spanned decades, several countries and a continued learning process. Many of first PBGVs attainable in the USA were far from perfect, including some of those at Pepperhill.

Although dearly loved and quite successful, it took time and perseverance for them to become better representatives of the breed. As founding members of both PBGVCA and

the PBGV Club of Greater New York, it was an exciting time of growth and development. Shepherding the breed through the painfully slow process of AKC recognition called for patience and persistence, with breeders across the country working hard to achieve this goal. For some people late to the breed, there is a lot of time, effort and history well worth noting.

Barbara has also been actively involved with several other hound breeds, including Whippets and Greyhounds since the early 1980's. Further, she has owned, shown, finished and breed Cavalier King Charles Spaniels since early 1990's.

Barbara has been judging Golden Retrievers and PBGVs since 1991. She was one of the first breeder judges approved for PBGVs. Currently she is approved for all Hound breeds & the Hound Group, all Sporting breeds & the Group, Cavaliers, English Toy Spaniels, Italian Greyhounds, Junior Showmanship, and Best In Show.

In 2016, she was honored with her first judging assignments at Westminster Kennel Club and at the AKC Show in Orlando. However, there is no honor that can surpass judging National/Regional Specialties, especially when voted for by your peers. Having been awarded the privilege of judging the National once before, as well as the Top 20 previously, it means even more to be asked to judge the 2021 Regional Specialty.

## **Chris Puls**

### **National & Regional Scent Work**

Chris Puls has been involved in scent sports since 2013, starting in Barn Hunt, and becoming a Barn Hunt Judge and trainer, then competing in UKC nose work, then becoming an AKC Scentwork Judge at the launch of the AKC Scentwork program. She has competed in just about all the different dog sports with her Malinois and her Field Lab earning

many placements and nearly 100 titles between them. But her dog training passion began over 30 years ago, and before that she started in the horse world. Communicating with animals through training has been a passion of hers since she was just a child. And that passion has carried over to teaching many hundreds of people to communicate with their animals through training for everything from basic obedience to search and rescue and service dog tasks and everything in between.

## A Brief History of the PBGV Club of America

by Jane Swanson

**“Morebess Raymond le Rebelle” was the model for the club logo drawn by Vickie Kwasny. Raymond was from the first litter bred in Denmark by Per Knudsen in 1978. Declared the best show dog Knudsen had ever seen, Raymond won all over Europe, achieved many titles and Best in Shows and sparked demand for the breed in several countries.**

Interest in the Petit Basset Griffon Vendéen in the United States was sparked in 1983 when George and Betty Barth entered Alexander, a 90-day-old PBGV puppy they had purchased in Canada less than a week earlier, in the New Jersey “Super Match” sponsored by the Professional Handler and Owner Handler Associations. Entered as a rare breed, Alex ended up winning Best Puppy in Match, and sparks from that one event turned into a wildfire of interest as Alex’s photo and stories about the breed hit the national canine publications.

Kitty Steidel had seen Alex at the match and later saw some PBGVs owned by members of the Basset Hound Club in Denmark. After doing much breed research and speaking to several others who were equally intrigued by the PBGV, it was decided time was ripe to form a club for the breed in the United States. On Nov. 19, 1984, just a shade more than a year after Alex won that match, 17 people from eight states and Canada — Jackie Balog, George and Betty Barth, Sue and Bill Barton, Barbara Cromley, Geraldine Cross, Marc

Delanier, Pat Fellman, Barbara Galbraith, Heidi Martin, Louisa Myers, Mary Jo Shield, Anne Snelling, Kitty Steidel, Sally Sweatt and Barbara Wicklund — met during AKC’s Centennial Celebration in Philadelphia with the intention of forming a national breed club for PBGVs. With a stated mission to protect and promote this rough-coated French hound, the Petit Basset Griffon Vendéen Club of America was formed. Elected officers were Kitty Steidel, president; Barbara Cromley, 1st vice president; George Barth, 2nd vice president; Marc Delanier, secretary; and Bob Booth, treasurer. Bill Barton, Cross, Fellman, Galbraith, Miller and Wicklund were selected as board members. A letter was sent to AKC announcing the club’s intention to seek recognition for the breed.

During its first year, membership increased from those initial few to 50, a standard was devised, a constitution and by-laws were adopted and a national registry and studbook were set up. Four months after that initial meeting, 15 PBGVs competed in the club’s first match held in Kentucky on March 16, 1985. Breed interest continued to soar, especially after ABC television reporter Roger Caras bought a PBGV and took it on “Good Morning America.” By the time the PBGV was accepted to AKC’s Miscellaneous Class on July 1, 1989, club membership had grown to 126 and an annual specialty show was being held. On Aug. 14, 1990, the AKC Board approved the PBGVCA’s bid to register its dogs in the AKC Stud Book beginning Dec. 1, 1990. The breed became the 131st breed to be registered and the 24th member of AKC’s Hound Group, and became eligible to compete for AKC points in February 1991. By then club membership had risen to nearly 200, a number that was almost doubled for the club’s 25th Anniversary Celebration which was held in conjunction with its 2010 national specialty in St. Louis.

# AKC PBGV STANDARD

## GENERAL APPEARANCE

The Petit Basset Griffon Vendéen is a French scent hound developed first and foremost to hunt small game over the rough and difficult terrain of the Vendéen region. To function efficiently, he must be equipped with certain characteristics. He is bold and vivacious in character; compact, tough and robust in construction. He has an alert outlook, lively bearing and a good voice freely and purposefully used.

The most distinguishing characteristics of this bold hunter are: his rough, unrefined outlines; his proudly carried head displaying definitive long eyebrows, beard, and moustache; his strong, tapered tail carried like a saber, alert and in readiness. Important to breed type is the compact, casual, rather tousled appearance, with no feature exaggerated and his parts in balance.

Any deviation from the ideal described in the standard should be penalized to the extent of the deviation. Structural faults common to all breeds are as undesirable in the PBGV as in any other breed, regardless of whether they are specifically mentioned.

## SIZE, PROPORTION, SUBSTANCE

**Size** – PBGVs measure between 13 and 15 inches at the withers. Height over 15 inches is a disqualification. Height under 13 inches is a disqualification at one year of age or older. **Proportion** - When viewed in profile, the body is somewhat longer than tall when measured from point of shoulder to buttocks, as compared to the height from withers to ground. **Substance** - Strong bone with substance in proportion to overall dog.

**Head** – The head is carried proudly and, in size, must be in balance with the overall dog. It is longer than its width in a ratio of approximately two to one. A coarse or overly large head is to be penalized.

**Expression** - alert, friendly and intelligent.

**Eyes** - large and dark with good pigmentation, somewhat oval in shape, showing no white. The red of the lower eyelid should not show. The eyes are surmounted by long eyebrows, standing forward, but not obscuring the eyes.

**Ears** - supple, narrow and fine, covered with longhair, folding inward and ending in an oval shape. The leathers reach almost to the end of the nose. They are set on low, below the line of the eyes. An overly long or high-set ear should be penalized.

**Skull** - domed, oval in shape when viewed from the front. It is well cut away under the eyes and has a well-developed occipital protuberance. Stop clearly defined.

**Muzzle** – The length of the muzzle from nose to stop is slightly shorter than the length from the stop to occiput. The underjaw is strong and well-developed.

**Nose** - black and large, with wide nostrils. A somewhat lighter shading is acceptable in lighter colored dogs. A butterfly nose is a fault. **Lips** - The lips are covered by long hair forming a beard and moustache.

**Bite** - It is preferable that the teeth meet in a scissors bite, but a level bite is acceptable.

## NECK, TOPLINE, BODY

**Neck** –The neck is long and strong, without throatiness, and flows smoothly into the shoulders.

**Topline** – The back is visibly level from withers to croup. There is a barely perceptible rise over a strong loin. Viewed in profile, the withers and the croup should be equidistant from the ground.

**Body** muscular, somewhat longer than tall. Compact, casual in appearance, with no feature exaggerated and his parts in balance. Chest rather deep, with prominent sternum. Ribs moderately rounded, extending well back. Loin short, strong, and muscular. There is but little tuck-up.

**Tail** - of medium length, set on high, it is strong at the base and tapers regularly. It is well furnished with hair, has but a slight curve and is carried proudly like the blade of a saber; normally pointing at about two o'clock. In a curved downward position, the tip of the tail bone should reach no further than the hock joint.

**FOREQUARTERS** - Shoulders clean and well laid back. Upper arm approximately equal in length to the shoulder blade. Elbows close to the body.

**Legs** – The length of leg from elbow to ground should be slightly more than half the height from withers to ground. Viewed from the front, it is desirable that the forelegs be straight, but a slight crook is acceptable. In either case, the leg appears straight, is strong and well boned, but never coarse nor weedy. Improperly constructed front assemblies, including poor shoulder placement, short upper arms, out at elbows, lack of angulation and fiddle fronts, are all serious faults. Pasterns strong and slightly sloping. Any tendency to knuckle over is a serious fault. Dewclaws may, or may not, be removed.

**Feet** - not too long, between hare and cat foot, with hard, tight pads. The nails are strong and short.

**HINDQUARTERS** - Strong and muscular with good bend of stifle. A well-defined second thigh. Hips wide, thighs well-muscled. Hocks are short and well angulated, perpendicular from hock to ground. Feet are as in front. Except that they must point straight ahead.

**COAT** - The coat is rough, long without exaggeration and harsh to the touch, with a thick shorter undercoat. It is never silky or woolly. The eyes are surmounted by long eyebrows, standing forward but not obscuring the eyes. The ears are covered by long hair. The lips are covered by long hair forming a beard and moustache. The tail is well furnished with hair. The overall appearance is casual and tousled.

The rough, unrefined outline and tousled appearance of this rustic hunting hound is essential. Any sculpting, clipping, scissoring or shaping of the coat is contrary to PBGV breed type. The PBGV coat should be clean, neatened as necessary, but always remain casually disarrayed. Any deviation from the ideal described here and in the General Appearance Section of the official standard should be penalized to the extent of the deviation.

**COLOR** - White with any combination of lemon, orange, black, sable, tricolor or grizzle markings, providing easy visibility in the field.

**GAIT** - The movement should be free at all speeds. Front action is straight and reaching well forward. Going away, the hind legs are parallel and have great drive. Convergence of the front and rear legs towards his center of gravity is proportional to the speed of his movement. Gives the appearance of an active hound, capable of a full day's hunting.

**TEMPERAMENT** - Confident, happy, extroverted, independent yet willing to please, never timid nor aggressive.

**DISQUALIFICATION** - Height over 15 inches is a disqualification. Height under 13 inches is a disqualification at one year of age or older.

# AKC CODE OF SPORTSMANSHIP

**PREFACE:** *The sport of purebred dog competitive events dates prior to 1884, the year of AKC's birth. Shared values of those involved in the sport include principles of sportsmanship. They are practiced in all sectors of our sport: conformation, performance and companion. Many believe that these principles of sportsmanship are the prime reason why our sport has thrived for over one hundred years. With the belief that it is useful to periodically articulate the fundamentals of our sport, this code is presented.*

- Sportsmen respect the history, traditions and integrity of the sport of purebred dogs.
- Sportsmen commit themselves to values of fair play, honesty, courtesy, and vigorous competition, as well as winning and losing with grace.
- Sportsmen refuse to compromise their commitment and obligation to the sport of purebred dogs by injecting personal advantage or consideration into their decisions or behavior.
- The sportsman judge judges only on the merits of the dogs and considers no other factors.
- The sportsman judge or exhibitor accepts constructive criticism.
- The sportsman exhibitor declines to enter or exhibit under a judge where it might reasonably appear that the judge's placements could be based on something other than the merits of the dogs.
- The sportsman exhibitor refuses to compromise the impartiality of a judge.
- The sportsman respects the AKC bylaws, rules, regulations and policies governing the sport of purebred dogs.
- Sportsmen find that vigorous competition and civility are not inconsistent and are able to appreciate the merit of their competition and the effort of competitors.
- Sportsmen welcome, encourage and support newcomers to the sport.
- Sportsmen will deal fairly with all those who trade with them.
- Sportsmen are willing to share honest and open appraisals of both the strengths and weaknesses of their breeding stock.
- Sportsmen spurn any opportunity to take personal advantage of positions offered or bestowed upon them.
- Sportsmen always consider as paramount the welfare of their dog.
- Sportsmen refuse to embarrass the sport, the American Kennel Club, or themselves while taking part in the sport.
