MIKE LLOYD IS ELECTED TO THE DDPSA BOARD OF DIRECTORS

DDPSA has added Mike Lloyd to the Board of Directors. Mike was hired by Delta in 1972 and retired in 2004. He has a long history of service to his fellow pilots, specifically for five years as Chairman of the Delta Pilots Mutual Aid Association (DPMA). Mike is looking forward to assisting DDPSA in helping retired pilots better understand the significant survivor benefits that exist under the Delta Pilots Disability and Survivorship (D&S) Plan and how important it is to have an organization such as DDPSA to be the watchdog over the benefits of survivors of Delta retired pilots.

Mike Lloyd's addition to the Board of Directors diversifies board member backgrounds to aid DDPSA in focusing on survivor benefits. There now are two normally retired pilots and two survivors of deceased pilots serving on the DDPSA Board of Directors.

DDPSA Chairman, Ev Gost, said, "The shift of focus towards survivors' benefits is a natural transition for DDPSA given the fact that there are as many as 5,000 potential survivors who may receive benefits from the D&S Plan. Mike Lloyd will be instrumental in assisting DDPSA as it concentrates more on survivor benefits."
