## About Us

The Danbury Fish and Game Association was originally founded in 1912 as The Western Connecticut Fish & Game Protective Association.

We were renamed to the current in 1950 and incorporated in 1955, making us the oldest Fish and Game Club in the State of Connecticut. In 1998, we were able to secure a long term year lease with the City of Danbury for our current location on Hayestown Road. The original building housed the Town Constable, vacant for a number of years.

Today, we are a structured 501C3 non-profit corporation with by-laws, committees, and an annual election of officers. We are community minded and donate our time and money to a variety of Danbury area charitable organizations and events. We have an annual scholarship for a local college bound high school senior.

## Our Conservation Pledge

We give our pledge as Americans to promote, defend and conserve our country's natural resources – its waters, wildlife, land, minerals and forests.

Thank you , Stew Leonard's!

## SPRING 2022

### NOW Is The Time To Prune Your Fruit Trees!

A properly trimmed apple, pear, or peach tree not only looks more appealing but can also yield more and better quality fruit. Pruning fruit trees improves the tree's vigor and fruit production while promoting good structure and form.
